FUND AMERICAN ENTERPRISES HOLDINGS, INC.

UNAUDITED PRO FORMA FINANCIAL INFORMATION

The following unaudited pro forma financial information of Fund American Enterprises Holdings, Inc. and its subsidiaries ("Fund American") is being presented in connection with Fund American's purchase, on August 18, 1998, of all the outstanding common stock of Folksamerica Holding Company, Inc. and its subsidiaries ("Folksamerica") that it did not previously own (the "Transaction").

The accompanying unaudited pro forma condensed combined income statement of Fund American for the nine month period ended September 30, 1998 (the "pro forma income statement") present the results for Fund American as if the Transaction had occurred as of January 1, 1998. The pro forma income statement does not purport to represent what Fund American's results of operations actually would have been had the Transaction in fact occurred as of the date indicated, or to project Fund American's results of operations for any future date or period. The pro forma adjustments are based on available information and certain assumptions that Fund American currently believes are reasonable under the circumstances. The unaudited pro forma financial information should be read in conjunction with: (i) Fund American's Annual Report on Form 10-K for the year ended December 31, 1997; (ii) Fund American's Quarterly Report on Form 10-Q for the three and nine month periods ended September 30, 1998; (iii) the separate historical financial statements of Folksamerica as of June 30, 1998 and for the three and six month periods ended June 30, 1998 (previously filed); and (iv) the separate historical financial statements of Folksamerica as of December 31, 1997 and 1996 and for each of the three years in the period ended December 31, 1997 (previously filed).

The pro forma adjustments and pro forma combined amounts are provided for informational purposes only. Fund American's financial statements will reflect the actual effects of the Transaction only from the date the Transaction occurred. The pro forma adjustments contained herein assume that the tax rate is 35%, the maximum Federal statutory rate for corporations.

FUND AMERICAN ENTERPRISES HOLDINGS, INC.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED INCOME STATEMENT (in millions of dollars)

- B. Pro forma adjustment to eliminate Fund American's equity in earnings of Folksamerica and preferred stock dividends received from January 1, 1998 to September 30, 1998.
- C. Pro forma adjustment to reflect a reduction in net investment income earned on the portion of short-term investment balances deemed to have partially financed the Transaction (\$27.0 million). - D. Pro forma adjustment to reflect additional interest expense associated with the monies borrowed under Fund American's existing debt arrangements (\$50.0 million) to partially fund the Transaction. - E. Pro forma adjustment to reflect the amortization of the net change in goodwill and the related incremental deferred credit associated with the Transaction (\$7.9 million) for the period from January 1, 1998 to August 18, 1998. Fund American's amortization period is expected to be five years.
