**OFFER TO PURCHASE FOR CASH
BY
WHITE MOUNTAINS INSURANCE GROUP, LTD.
OF UP TO 300,000 OF ITS COMMON SHARES
AT A PURCHASE PRICE NOT GREATER THAN \$435
OR LESS THAN \$385 PER SHARE**

**THE OFFER, PRORATION PERIOD AND WITHDRAWAL RIGHTS WILL EXPIRE
AT 12:00 MIDNIGHT, NEW YORK CITY TIME, ON SEPTEMBER 15, 2011, UNLESS
THE OFFER IS EXTENDED (SUCH DATE AND TIME, AS THEY MAY BE
EXTENDED, THE "EXPIRATION DATE").**

White Mountains Insurance Group, Ltd., a company organized under the laws of Bermuda (the "Company", "White Mountains", "we" or "us"), is offering to purchase up to 300,000 of its Common Shares, par value \$1.00 per share (the "Shares"), at a purchase price not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in this Offer to Purchase (as it may be amended or supplemented from time to time, this "Offer to Purchase") and in the related Letter of Transmittal (which together, as they may be amended or supplemented from time to time, constitute the "Offer"), including the proration provisions described herein. We will select the lowest price per Share (in multiples of \$1.00) (the "Purchase Price") that will allow us to purchase 300,000 Shares or, if a lesser number is properly tendered, all Shares that are properly tendered and not properly withdrawn. All Shares acquired in the Offer will be acquired at the same price regardless of whether the shareholder tendered at a lower price. However, because of the proration and "odd lot" priority provisions described in this Offer to Purchase, fewer than all of the Shares tendered at or below the Purchase Price may be purchased if more than the number of Shares the Company seeks are properly tendered. Shares tendered but not purchased in the Offer will be returned to the tendering shareholders at the Company's expense promptly after the expiration of the Offer. See "Section 1. Number of Shares; Proration" and "Section 2. Procedures for Tendering Shares".

In the event that more than 300,000 Shares are tendered in the Offer, we may exercise our right to amend the Offer to purchase up to an additional 2% of our outstanding Shares without extending the Expiration Date. We also expressly reserve the right, in our sole discretion, to purchase additional Shares, subject to applicable law. See "Section 1. Number of Shares; Proration" and "Section 14. Extension of the Offer; Termination; Amendment".

This Offer is not conditioned upon the receipt of financing or any minimum number of Shares being tendered. This Offer is, however, subject to certain conditions. See "Section 8. Conditions to the Offer".

The Shares are listed and traded on the New York Stock Exchange (the "NYSE") under the symbol "WTM" and the Bermuda Stock Exchange under the symbol "WTM-BH". On August 16, 2011, the last full trading day before the public announcement of the Offer, the last reported closing sale price of the Shares on the NYSE was \$403.00 per Share. **SHAREHOLDERS ARE URGED TO OBTAIN A CURRENT MARKET QUOTATION FOR THE SHARES.** See "Section 7. Price Range of Shares; Dividends".

OUR BOARD OF DIRECTORS HAS APPROVED THE OFFER. HOWEVER, NONE OF THE COMPANY, OUR BOARD OF DIRECTORS, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER ANY SHAREHOLDER SHOULD TENDER SHARES PURSUANT TO THE OFFER, OR AS TO THE PRICE(S) AT WHICH A SHAREHOLDER MAY CHOOSE TO TENDER. EACH SHAREHOLDER MUST MAKE HIS OR HER OWN DECISION AFTER CONSULTING WITH HIS OR HER OWN ADVISORS WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER AND THE PRICE(S) AT WHICH SUCH SHAREHOLDER WILL TENDER THEM. IN DOING SO, SHAREHOLDERS SHOULD READ CAREFULLY THE INFORMATION IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING THE PURPOSES AND EFFECTS OF THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

YOU SHOULD READ CAREFULLY THE INFORMATION SET FORTH OR INCORPORATED BY REFERENCE IN THIS OFFER TO PURCHASE OR IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING OUR REASONS FOR MAKING THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

ALL OF OUR DIRECTORS AND EXECUTIVE OFFICERS HAVE ADVISED US THAT THEY DO NOT INTEND TO TENDER ANY SHARES OWNED BY THEM IN THE OFFER. SEE "SECTION 11. INTERESTS OF DIRECTORS AND EXECUTIVE OFFICER; TRANSACTIONS AND ARRANGEMENTS CONCERNING THE SHARES".

NEITHER THE SECURITIES AND EXCHANGE COMMISSION ("SEC") NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THIS TRANSACTION OR PASSED UPON THE FAIRNESS OR MERITS OF SUCH TRANSACTION OR UPON THE ACCURACY OR ADEQUACY OF THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

IMPORTANT

Any shareholder desiring to tender all or any portion of such shareholder's Shares should (1) if such shareholder holds the Shares in its own name, complete and sign the Letter of Transmittal in accordance with the instructions in the Letter of Transmittal, have such shareholder's signature thereon guaranteed (if required by Instruction 1 to the Letter of Transmittal), mail, express or overnight delivery, or deliver the Letter of Transmittal and any other required documents to the Depository (as defined herein) and either deliver the certificates for such Shares (the "Certificates") along with the Letter of Transmittal to the Depository or tender such Shares pursuant to the procedures for book-entry transfer set forth in "Section 2. Procedures for Tendering Shares"; (2) if such shareholder's Shares are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, request such shareholder's broker, dealer, commercial bank, trust company or other nominee to effect the transaction for such shareholder or (3) if such shareholder is an institution participating in The Depository Trust Company, tender the Shares according to the procedure for book-entry transfer described in "Section 2. Procedures for Tendering Shares". Any shareholder whose Shares are registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact such broker, dealer, commercial bank, trust company or other nominee to tender such Shares.

Any shareholder who desires to tender Shares and whose Certificates are not immediately available, or who cannot comply with the procedures for book-entry transfer described in this Offer to Purchase on a timely basis or who cannot deliver all required documents to the Depository prior to the expiration of the Offer, may nevertheless tender such Shares by following the procedures for guaranteed delivery set forth in "Section 2. Procedures for Tendering Shares".

If you wish to maximize the chance that your Shares will be purchased by us, you should check the box in the section of the Letter of Transmittal captioned "Shares Tendered at a Price Determined Pursuant to the Offer". If you agree to accept the purchase price determined in the Offer, your Shares will be deemed to be tendered at the minimum price of \$385 per share. You should understand that this election may lower the purchase price paid for all purchased Shares in the Offer and could result in your Shares being purchased at the minimum price of \$385 per Share. The lower end of the price range for the Offer is below the closing market price for the Shares on August 16, 2011, the last full trading day prior to the public announcement of the Offer, when the closing market price on the NYSE was \$403.00.

TO TENDER SHARES PROPERLY, OTHER THAN SHARES REGISTERED IN THE NAME OF A BROKER, DEALER, COMMERCIAL BANK, TRUST COMPANY OR OTHER NOMINEE, YOU MUST PROPERLY COMPLETE AND DULY EXECUTE THE LETTER OF TRANSMITTAL, INCLUDING THE SECTION RELATING TO THE PRICE AT WHICH YOU ARE TENDERING YOUR SHARES.

THE COMPANY IS NOT MAKING THE OFFER TO, AND WILL NOT ACCEPT ANY TENDERED SHARES FROM, SHAREHOLDERS IN ANY JURISDICTION WHERE IT WOULD BE ILLEGAL TO DO SO. HOWEVER, THE COMPANY MAY, IN ITS DISCRETION, TAKE ANY ACTIONS NECESSARY TO MAKE THE OFFER TO SHAREHOLDERS IN ANY SUCH JURISDICTION.

Questions and requests for assistance may be directed to D.F. King & Co., Inc. (the "Information Agent") or to the Lead Dealer Manager or the Co-Dealer Managers at their respective addresses and telephone numbers set forth on the back cover of this Offer to Purchase. Additional copies of this Offer to Purchase, the Letter of Transmittal, the Notice of Guaranteed Delivery and other tender offer materials may also be obtained from the Information Agent or the Lead Dealer Manager at the Company's expense. Shareholders may also contact their brokers, dealers, commercial banks or trust companies for assistance concerning the Offer.

NO PERSON HAS BEEN AUTHORIZED TO MAKE ANY RECOMMENDATION ON BEHALF OF THE COMPANY AS TO WHETHER SHAREHOLDERS SHOULD TENDER OR REFRAIN FROM TENDERING SHARES PURSUANT TO THE OFFER OR AS TO THE PRICE OR PRICES

AT WHICH SHAREHOLDERS MAY CHOOSE TO TENDER SHARES. SHAREHOLDERS SHOULD RELY ONLY ON THE INFORMATION CONTAINED IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL OR TO WHICH THE COMPANY HAS REFERRED YOU. NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS IN CONNECTION WITH THE OFFER OTHER THAN THOSE CONTAINED IN THIS OFFER TO PURCHASE OR IN THE LETTER OF TRANSMITTAL. IF MADE OR GIVEN, SUCH RECOMMENDATION AND SUCH INFORMATION AND REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY, OUR BOARD OF DIRECTORS, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT.

We and our affiliates, including our executive officers and directors, will be prohibited by Rule 13e-4 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), from repurchasing any of the Shares outside of the Offer until at least the tenth business day after the expiration or termination of the Offer. Following that time, we expressly reserve the absolute right, in our sole discretion from time to time in the future, to purchase Shares, whether or not any Shares are purchased pursuant to the Offer, through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise, upon such terms and at such prices as we may determine, which may be more or less than the price to be paid pursuant to the Offer and could be for cash or other consideration. We can not assure you as to which, if any, of these alternatives, or combinations thereof, we might pursue.

SUMMARY TERM SHEET

White Mountains Insurance Group, Ltd. (the "Company", "White Mountains", "we" or "us") is offering to purchase up to 300,000 of its Common Shares, par value \$1.00 per share (the "Shares") at a purchase price of not greater than \$435 or less than \$385 per share, net to the Seller in cash, less any applicable withholding taxes and without interest upon, the terms and subject to the conditions as set forth in this Offer to Purchase. We are providing this summary term sheet containing frequently asked questions and responses for your convenience. We urge you to read this Offer to Purchase and Letter of Transmittal and the other documents that are incorporated by reference because the information in this summary is not complete. We have included references to the sections of this Offer to Purchase where you will find a more complete discussion of the topics in this summary.

Who Is Offering To Buy My Securities, And Why?

The Offer to purchase the Shares is being made by White Mountains, a company organized under the laws of Bermuda. The Offer is being made to utilize a portion of the Company's undeployed capital and to provide shareholders with added liquidity. If you choose to tender your Shares, you will avoid the usual transaction costs associated with any market sale. If you choose not to tender your Shares, the Offer will serve to increase your ownership interest in the Company and thus in the Company's future earnings and assets, because the Shares purchased pursuant to the Offer will be cancelled. See "Section 5. Purpose of the Offer; Certain Effects of the Offer" and "Section 9. Certain Information Concerning the Company".

What Are The Classes And Amounts Of Securities Sought In The Offer?

We are offering to purchase 300,000 Shares or, if a lesser number of Shares are validly tendered, such lesser number of Shares as are properly tendered and not properly withdrawn, subject to the "odd lot" and proration provisions described in "Section 1. Number of Shares; Proration". As of August 16, 2011, there were 7,958,589 Shares outstanding. The Shares we are seeking to purchase through this Offer represent approximately 3.8% of the Shares outstanding as of such date. See "INTRODUCTION".

The Shares are currently "margin securities" under the rules of the Federal Reserve Board. This has the effect, among other things, of allowing brokers to extend credit on the collateral of the Shares. Following the repurchase of Shares pursuant to the Offer, the Shares not purchased will continue to be "margin securities" for purposes of the Federal Reserve Board's margin regulations. See "Section 13. Effects of the Offer on the Market for Shares; Registration under the Exchange Act".

If more than 300,000 Shares are properly tendered in the Offer, we may exercise our right to amend the Offer to purchase up to an additional 2% of our outstanding Shares without extending the Expiration Date. We also expressly reserve the right, in our sole discretion, to purchase additional Shares, subject to applicable law. See "Section 1. Number of Shares; Proration".

If more than 300,000 Shares (or such greater number of Shares as we may elect to purchase, subject to applicable law) are properly tendered, all Shares tendered at or below the Purchase Price will be purchased on a pro rata basis, subject to the odd lot priority provisions described herein. The Offer is not conditioned on any minimum number of Shares being tendered by shareholders. See "Section 1. Number of Shares; Proration".

How Much Are You Offering To Pay And What Is The Form Of Payment?

We are conducting this Offer through a procedure called a "modified Dutch auction". This procedure allows you to select the price (in increments of \$1.00) within the price range specified by us at which you are willing to sell your Shares. The price range for the Offer is \$385 to \$435 per Share. See "Section 1. Number of Shares; Proration".

We will select the lowest purchase price that will allow us to buy 300,000 Shares or, if a lesser number of Shares is properly tendered, all Shares that are properly tendered and not properly withdrawn. The lower end of the price range for the Offer is below the closing market price for the Shares on August 16, 2011, the last full trading day prior to the public announcement of the Offer, when the closing market price on the NYSE was \$403.00. We will determine the Purchase Price as promptly as practicable after the Offer expires. For purposes of determining the Purchase Price, those Shares that are tendered by shareholders agreeing to accept the Purchase Price determined in the Offer, as described below, will be deemed to be tendered at the minimum price of \$385. See "Section 1. Number of Shares; Proration".

All Shares that we purchase will be purchased at the Purchase Price, even if you have selected a lower price, but we will not purchase in the Offer any Shares tendered at a price above the Purchase Price we determine. If you wish to maximize the chance that your Shares will be purchased, you should check the box in the section on the Letter of Transmittal, "Shares Tendered at a Price Determined Pursuant to the Offer", indicating that you will accept the Purchase Price we determine. If you agree to accept the Purchase Price determined in the Offer, your Shares will be deemed to be tendered at the minimum price of \$385 per Share. You should understand that this election could result in your Shares being purchased at the minimum price of \$385 per Share. See "Section 1. Number of Shares; Proration" and "Section 2. Procedures for Tendering Shares".

If your Shares are purchased in the Offer, you will receive the Purchase Price, net to the seller in cash, less any applicable withholding taxes and without interest, promptly after the Expiration Date. Under no circumstances will we pay interest on the Purchase Price, including, but not limited to, by reason of any delay in making payment. The Offer is scheduled to expire at 12:00 midnight, New York City time, on September 15, 2011, unless the Offer is extended by us. See "Section 1. Number of Shares; Proration" and "Section 14. Extension of the Offer; Termination; Amendment".

What Will Happen If The Offer Is Undersubscribed?

In the event that less than the requested number of Shares are tendered, subject to the terms and conditions of this Offer, we will purchase such tendered Shares.

What Happens If More Than 300,000 Shares Are Tendered At Or Below The Purchase Price? Will Tendered Shares Be Prorated?

In the event that more than 300,000 Shares (or such greater number of Shares as we may elect to purchase, subject to applicable law) are tendered at or below the Purchase Price and not properly withdrawn, we will accept Shares for purchase in the following order of priority:

- *First*, we will purchase all "odd lots" of less than 100 Shares at the Purchase Price from shareholders who properly tender all of their Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date; and
- *Second*, after purchasing all the "odd lots" that were properly tendered at or below the Purchase Price, we will purchase Shares at the Purchase Price from all other holders who properly tender Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date, on a pro rata basis, with appropriate adjustments to avoid purchases of fractional Shares, until we have acquired the number of Shares that we have offered to purchase.

Therefore, we may not purchase all of the Shares that you tender even if you tender them at or below the Purchase Price. See "Section 1. Number of Shares; Proration".

If I Own Fewer Than 100 Shares And I Tender All Of My Shares, Will I Be Subject To Proration?

If you own beneficially or of record fewer than 100 Shares in the aggregate, properly tender all of these Shares at or below the Purchase Price and do not properly withdraw them before the Expiration Date, and complete the section entitled Odd Lots in the Letter of Transmittal and, if applicable, in the Notice of Guarantee Delivery, we will purchase all of your Shares without subjecting them to the proration procedure. See "Section 1. Number of Shares; Proration".

Do You Have The Financial Resources To Make Payment?

If we purchase 300,000 Shares, and the Purchase Price is an amount between \$385 and \$435 per Share, then the aggregate cost to us will be between approximately \$115,500,000 and \$130,500,000. We anticipate meeting this cost with available cash, including cash from the sale of liquid investments and, if necessary, borrowings under our Credit Facility (as defined in Section 10). The Offer is not subject to any financing condition. See "Section 10. Source and Amount of Funds".

Are There Any Conditions To The Offer?

Our obligation to purchase Shares tendered depends upon a number of conditions that must be satisfied or waived by us prior to the Expiration Date. See "Section 8. Conditions to the Offer".

Is The Offer Conditioned On The Closing Of The Previously Announced Sale Of The Esurance And Answer Financial Businesses?

No. However, it is a condition to the Offer that we must not reasonably determine that a condition to the sale of the Esurance and Answer Financial businesses to The Allstate Corporation is unlikely to be satisfied. See "Section 8. Conditions to the Offer".

How Do I Tender My Shares?

If you own your Shares in your own name as a holder of record and decide to tender your Shares, you must deliver the Certificates evidencing your Shares, together with a completed Letter of Transmittal with any required signature guarantees or other required documents, to Computershare Trust Company, N.A. ("Computershare"), the Depository for the Offer, not later than the time the Offer expires. Deliveries to the Company, the Information Agent, the Lead Dealer Manager, the Co-Dealer Managers or The Depository Trust Company ("DTC") will not be forwarded to the Depository and will not constitute a valid delivery.

If your Shares are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, meaning your Shares are owned in "street name", contact your broker, dealer, commercial bank, trust company or other nominee and have it tender your Shares for you.

If you are unable to deliver something that is required to the Depository by the expiration of the Offer, you may get extra time to do so by having a broker, bank or other fiduciary who is a member of the Securities Transfer Agent Medallion Program, The New York Stock Exchange Medallion Program or the Stock Exchange Medallion Program guarantee that the missing items will be received by the Depository within three NYSE trading days. However, the Depository must receive the missing items within that three-day trading period. See "Section 2. Procedure for Tendering Shares".

If you are a participant in the OneBeacon 401(k) Savings and Employee Stock Ownership Plan (the "OneBeacon Plan"), the White Mountains Holding Company, Inc. 401(k) Savings and Investment Plan (the "White Mountains Re Plan") or the Esurance Insurance Services, Inc. 401(k) Plan (the "Esurance Plan" and, each of the foregoing, a "Plan") and you wish to tender any of your Shares held in such plan, you must follow the separate instructions and procedures described in Section 2 (including an earlier deadline for delivering materials) and you must review separate instructions related to such Plan enclosed with this Offer to Purchase.

How Long Do I Have To Tender In The Offer?

You will have until 12:00 midnight, New York City time, on September 15, 2011, to tender your Shares in the Offer, unless we extend the Offer. We may choose to extend the Offer in our sole discretion at any time. Further, if you cannot deliver everything that is required in order to make a valid tender by that time, you may be able to use a guaranteed delivery procedure, which is described later in this Offer to Purchase. See "Section 2. Procedures for Tendering Shares".

If a broker, dealer, commercial bank, trust company or other nominee holds your Shares, it is likely that they have an earlier deadline for instructing them to accept the Offer. See "Section 2. Procedures for Tendering Shares".

If you wish to tender Shares held in a Plan, the deadline for giving instructions to the trustee of such Plan to permit your Shares to be tendered on a timely basis is 5:00 p.m., New York City time, on September 9, 2011, unless we extend the Offer, in which case you will be able to give instructions to the trustee to tender Shares held in such Plan until 5:00 p.m., New York City time, on the date that is four business days before the new Expiration Date. See "Section 2. Procedures for Tendering Shares".

Can The Offer Be Extended Or Terminated And Under What Circumstances?

We are reserving the right to extend the Offer in our sole discretion. Also, should we, pursuant to the terms and conditions of the Offer, significantly change the price of the Offer or quantity of Shares asked for in the Offer or otherwise materially amend the Offer, we will ensure that the Offer remains open long enough to comply with U.S. Federal securities laws. It is possible that this could involve an extension of the Offer, up to 10 additional business days in some cases. We cannot assure you, however, that we will extend the Offer or, if we extend it, for how long. See "Section 14. Extension of the Offer; Termination; Amendment".

We also expressly reserve the right, in our sole discretion, to withdraw or terminate the Offer and not accept for payment or pay for any Shares not theretofore accepted for payment or paid for or, subject to applicable law, to postpone payment for Shares upon the occurrence of any of the conditions specified in Section 8 by giving oral or written notice of the termination or postponement to the Depositary and making a public announcement of the termination or postponement. Additionally, we expressly reserve the right, subject to applicable law, to postpone payment for Shares under circumstances including but not limited to the occurrence of any of the conditions specified in "Section 8. Conditions to the Offer" by notifying the Depositary and making a public announcement thereof.

How Will I Be Notified If The Offer Is Extended Or Amended?

If we extend the Offer, the Company or D.F. King & Co., Inc., the Information Agent, will make a public announcement of the extension, not later than 9:00 a.m., New York City time, on the next business day after the day on which the Offer was scheduled to expire. We will announce any amendment by making a public announcement of the amendment. See "Section 14. Extension of the Offer; Termination; Amendment".

When And How Will The Company Pay For The Shares I Tender That Are Accepted For Purchase?

We will pay the Purchase Price, net to the seller in cash, less any applicable withholding taxes and without interest, for the Shares we purchase promptly after the expiration of the Offer and the acceptance of the Shares for payment. We will pay for the Shares accepted for purchase by depositing the aggregate Purchase Price with the Depositary promptly after the expiration of the Offer. The Depositary will act as your agent and will transmit to you the payment for all of your Shares accepted for payment. See "Section 4. Acceptance for Payment and Payment of Shares".

May I Tender Only A Portion Of The Shares That I Hold?

Yes. You do not have to tender all of the Shares that you own to participate in the Offer.

Can I Tender My Shares At Different Prices?

Yes. You can elect to tender some of your Shares at one price and an additional number of Shares at a second price. However, you cannot tender the same Shares at different prices. If you tender some Shares at one price and the other Shares at another price, you must use a separate Letter of Transmittal for each tender. See "Section 2. Procedure for Tendering Shares".

Until What Time Can I Withdraw Previously Tendered Shares?

You can withdraw previously tendered Shares at any time until the Offer has expired, or until such later time and date to which the Offer is extended. In addition, unless we have already accepted your tendered Shares for payment, you may withdraw your tendered Shares at any time after 11:59 p.m., New York City time, on October 14, 2011. See "Section 3. Withdrawal Rights".

You may give instructions to withdraw tendered Shares held in a Plan at any time before 5:00 p.m. New York City time, on September 9, 2011, unless we extend the Offer, in which case you can give instructions to withdraw your Shares until 5:00 p.m., New York City time, on the date that is four business days before the new Expiration Date. See "Section 3. Withdrawal Rights".

How Do I Withdraw Previously Tendered Shares?

To withdraw Shares you must deliver a written notice of withdrawal with the required information to the Depository while you still have the right to withdraw the Shares. If you have used more than one Letter of Transmittal or have otherwise tendered Shares in more than one group of Shares, you may withdraw Shares using either separate notices of withdrawal or a combined notice of withdrawal, so long as the required information is included. Some additional requirements apply if your Shares have been tendered under the procedure for book-entry transfer set forth in "Section 2. Procedures for Tendering Shares". If you have tendered your Shares by giving instructions to a bank, broker, dealer, trust company or other nominee, you must instruct such nominee to arrange for the withdrawal of your Shares. See "Section 3. Withdrawal Rights".

If you wish to withdraw tendered Shares held in a Plan, you must deliver an instruction form with the required information to the agent for the trustee of such Plan, in accordance with the instructions in the letter furnished to you as a participant in such Plan. If you wish to withdraw tendered Shares held in a Plan, you must withdraw all such tendered Shares. See "Section 3. Withdrawal Rights".

What Does The Company's Board Of Directors Think Of The Offer?

The Board of Directors of the Company makes no recommendation as to whether you should tender any or all of your Shares, or hold them, or as to the price or prices at which you may choose to tender your Shares. Rather, they encourage you to make your own decision after consulting with your own advisor as to whether or not to tender Shares, and if so, how many to tender and at what price or prices. In doing so, you should read carefully the information in this Offer to Purchase and the Letter of Transmittal.

Will Directors Or Executive Officers Of The Company Tender Shares In The Offer?

All of our directors and executive officers have advised us that they do not intend to tender Shares pursuant to the Offer. Accordingly, if we complete the Offer, the proportional holdings of our directors and executive officers will increase. However, our directors and executive officers may, in compliance with applicable law, sell their Shares in open market transactions at prices that may or may not be more favorable than the Purchase Price to be paid to our shareholders in the Offer. See "Section 11. Interests of Directors and Executive Officers; Transactions and Arrangements Concerning the Shares".

What Will Happen If I Do Not Tender My Shares?

Shareholders who choose not to tender will own a greater percentage ownership of our outstanding Shares following the consummation of the Offer. See "Section 5. Purpose of the Offer; Certain Effects of the Offer".

What Does The Company Intend To Do With The Purchased Shares After The Offer Expires?

We will cancel the Shares. See "Section 5. Purpose of the Offer; Certain Effects of the Offer".

Does The Company Intend To Repurchase Any Shares Other Than Pursuant To The Tender Offer During Or After The Tender Offer?

Rule 13e-4 of the Exchange Act prohibits us and our affiliates from purchasing any Shares, other than pursuant to the Offer, until at least ten business days after the expiration of the Offer, except pursuant to certain limited exceptions provided in Rule 14e-5 of the Exchange Act. Beginning ten business days after the expiration date of the tender offer, we may make Share repurchases from time to time on the open market and/or in private transactions. Whether we make additional Share repurchases will depend on many factors, including the number of Shares, if any, that we purchase in the Offer, the number of Shares our Board authorizes to be repurchased, our business and financial performance and situation, the business and market conditions at the time, including the price of the Shares, and such other factors as we may consider relevant. Any of these Share repurchases may be on the same terms or on terms that are more or less favorable to the selling shareholders in those transactions than the terms of the Offer.

Following The Offer, Will The Company Continue As A Public Company?

We do not intend or believe that our purchase of Shares through the Offer will cause our remaining Shares to be delisted from the NYSE or cause us to be eligible for deregistration under the Exchange Act. See "Section 8. Conditions to the Offer".

What Is The Market Value Of My Shares As Of A Recent Date?

On August 16, 2011, the last trading day before the public announcement of the Offer, the last reported closing sale price of the Shares reported on the NYSE was \$403.00 per Share. The lower end of the price range for the Offer is below this last reported price per Share. We advise you to obtain a recent quotation for the Shares in deciding whether to tender your Shares. See "Section 7. Price Range of Shares; Dividends".

What Are The United States Federal Income Tax Consequences If I Tender My Shares?

The receipt of cash pursuant to the Offer generally will be treated for United States Federal income tax purposes either (a) as a sale or exchange eligible for capital gain or loss treatment or (b) as a dividend. Non-U.S. shareholders generally will not be subject to U.S. Federal income taxation on the receipt of cash pursuant to the Offer. See "Section 2. Procedures For Tendering Shares" and "Section 6. Certain U.S. Federal Income Tax Consequences".

Who Can I Talk To If I Have Questions About the Tender Offer?

You can call D.F. King & Co., Inc. ("D.F. King"), the Information Agent for the Offer, at (800) 967-4607 (toll free) or Barclays Capital Inc. ("Barclays Capital"), the Lead Dealer Manager, at (888) 610-5877 (toll free). For further contact information, see the back cover of this Offer to Purchase.

FORWARD-LOOKING STATEMENTS

This Offer to Purchase may contain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this release which address activities, events or developments which we expect or anticipate will or may occur in the future are forward-looking statements. The words "will", "believe", "intend", "expect", "anticipate", "project", "estimate", "predict" and similar expressions are also intended to identify forward-looking statements. These forward-looking statements include, among others, statements with respect to the Company's: change in adjusted book value per share or return on equity; business strategy; financial and operating targets or plans; incurred loss and loss adjustment expenses and the adequacy of its loss and loss adjustment expense reserves and related reinsurance; projections of revenues, income (or loss), earnings (or loss) per share, dividends, market share or other financial forecasts; expansion and growth of our business and operations; and future capital expenditures. These statements are based on certain assumptions and analyses made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform to our expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including: the risks associated with Item 1A of the Company's 2010 Annual Report on Form 10-K; claims arising from catastrophic events, such as hurricanes, earthquakes, floods, fires, terrorist attacks or severe winter weather; the continued availability of capital and financing; general economic, market or business conditions; business opportunities (or lack thereof) that may be presented to it and pursued; competitive forces, including the conduct of other property and casualty insurers and reinsurers; changes in domestic or foreign laws or regulations, or their interpretation, applicable to the Company, its competitors or its customers; an economic downturn or other economic conditions adversely affecting its financial position; recorded loss reserves subsequently proving to have been inadequate; actions taken by ratings agencies from time to time, such as financial strength or credit ratings downgrades or placing ratings on negative watch; other factors, most of which are beyond the Company's control. Consequently, all of the forward-looking statements made in this Offer to Purchase are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company or its business or operations. The Company assumes no obligation to publicly update any such forward-looking statements, whether as a result of new information, future events or otherwise.

Except for our obligations under Rule 13e-4(c)(3) and Rule 13e-4(e)(3) of the Exchange Act to disclose any material changes in the information previously disclosed to Holders or as otherwise required by law, we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

You should read this Offer to Purchase and the documents that we reference in this Offer to Purchase and have filed as exhibits to the Tender Offer Statement on Schedule TO filed with the SEC, of which this Offer to Purchase is a part, completely and with the understanding that our actual future results may be materially different from what we expect. We qualify all of our forward-looking statements by each of these cautionary statements.

INTRODUCTION

To the Holders of Common Shares of White Mountains Insurance Group, Ltd.:

White Mountains Insurance Group, Ltd. hereby offers to purchase 300,000 Shares of its outstanding Common Shares, par value \$1.00 per share, or such lesser number of Shares as are properly tendered and not properly withdrawn at a Purchase Price not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest. We will select the lowest price per Share (in multiples of \$1.00) that will allow us to purchase 300,000 Shares or, if a lesser number is properly tendered, all Shares that are properly tendered and not properly withdrawn. All Shares acquired in the Offer will be acquired at the same price, regardless of whether the shareholder tendered at a lower price. Our Offer is being made upon the terms and subject to the conditions set forth in this Offer to Purchase and in the related Letter of Transmittal (which together, as they may be amended or supplemented from time to time constitute the Offer).

Only Shares properly tendered at prices at or below the Purchase Price and not properly withdrawn will be purchased. However, because of the proration provisions described in this Offer to Purchase, not all of the Shares tendered at or below the Purchase Price may be purchased if more than the number of Shares we seek are properly tendered. We will return any Shares that are tendered at prices in excess of the Purchase Price and Shares that we do not purchase because of proration promptly following the Expiration Date. See "Section 2. Procedures for Tendering Shares".

Shareholders must complete the section of the Letter of Transmittal relating to the price at which they are tendering Shares in order to properly tender Shares.

OUR BOARD OF DIRECTORS HAS APPROVED THE OFFER. HOWEVER, NONE OF THE COMPANY, OUR BOARD OF DIRECTORS (THE "BOARD"), THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER ANY SHAREHOLDER SHOULD TENDER SHARES PURSUANT TO THE OFFER, OR AS TO THE PRICE(S) AT WHICH SHAREHOLDERS MAY CHOOSE TO TENDER. EACH SHAREHOLDER MUST MAKE HIS OR HER OWN DECISION AFTER CONSULTING WITH HIS OR HER OWN ADVISORS WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER AND THE PRICE(S) AT WHICH SUCH SHAREHOLDER WILL TENDER THEM. IN DOING SO, SHAREHOLDERS SHOULD READ CAREFULLY THE INFORMATION IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL INCLUDING THE PURPOSES AND EFFECTS OF THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

ALL OF OUR DIRECTORS AND EXECUTIVE OFFICERS HAVE ADVISED US THAT THEY DO NOT INTEND TO TENDER ANY SHARES OWNED BY THEM IN THE OFFER. SEE "SECTION 11. INTERESTS OF DIRECTORS AND EXECUTIVE OFFICER; TRANSACTIONS AND ARRANGEMENTS CONCERNING THE SHARES". ACCORDINGLY, IF WE COMPLETE THE OFFER, THE PROPORTIONAL HOLDINGS OF OUR DIRECTORS AND EXECUTIVE OFFICERS WILL INCREASE. HOWEVER, OUR DIRECTORS AND EXECUTIVE OFFICERS MAY, IN COMPLIANCE WITH APPLICABLE LAW, SELL THEIR SHARES IN OPEN MARKET TRANSACTIONS AT PRICES THAT MAY OR MAY NOT BE MORE FAVORABLE THAN THE PURCHASE PRICE TO BE PAID TO OUR SHAREHOLDERS. SEE "SECTION 11. INTERESTS OF DIRECTORS AND EXECUTIVE OFFICERS; TRANSACTIONS AND ARRANGEMENTS CONCERNING THE SHARES".

THE OFFER IS NOT CONDITIONED UPON THE RECEIPT OF FINANCING OR ANY MINIMUM NUMBER OF SHARES BEING TENDERED. THE OFFER IS, HOWEVER, SUBJECT TO CERTAIN CONDITIONS. SEE "SECTION 8. CONDITIONS TO THE OFFER".

AS OF AUGUST 16, 2011, THERE WERE 7,958,589 SHARES OUTSTANDING. ACCORDINGLY, THE 300,000 SHARES WE ARE SEEKING TO PURCHASE THROUGH THIS OFFER REPRESENT APPROXIMATELY 3.8% OF THE SHARES OUTSTANDING AS OF SUCH DATE.

In the event that more than 300,000 Shares are tendered in the Offer, we may exercise our right to amend the Offer to purchase up to an additional 2% of our outstanding Shares without extending the Expiration Date. We also expressly reserve the right, in our sole discretion, to purchase additional Shares, subject to applicable law.

If more than 300,000 Shares (or such greater number of Shares as we may elect to purchase, subject to applicable law) are properly tendered at or below the purchase price and not properly withdrawn, we will purchase Shares in the following order of priority:

- *First*, we will purchase all "odd lots" of less than 100 Shares at the Purchase Price from shareholders who properly tender all of their Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date; and
- *Second*, after purchasing all the "odd lots" that were properly tendered at or below the Purchase Price, we will purchase Shares at the Purchase Price from all other holders who properly tender Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date, on a pro rata basis, with appropriate adjustments to avoid purchases of fractional Shares, until we have acquired the number of Shares that we have offered to purchase.

Therefore, we may not purchase all of the Shares that you tender even if you tender them at or below the Purchase Price.

The Purchase Price will be paid, net to the seller in cash, less any applicable withholding taxes and without interest, for all Shares purchased. Tendering shareholders who hold Shares registered in their own name and who tender their Shares directly to the Depositary will not be obligated to pay brokerage commissions, solicitation fees or stock transfer taxes on the purchase of Shares by us in the Offer. Shareholders holding Shares in a brokerage account or otherwise through brokers, dealers, commercial banks, trust companies or other nominees are urged to consult their brokers, dealers, commercial banks, trust companies or such other nominees to determine whether transaction costs may apply if shareholders tender Shares through such nominees and not directly to the Depositary. See "Section 2. Procedures for Tendering Shares", "Section 6. Certain U.S. Federal Income Tax Consequences" and "Section 15. Fees and Expenses".

Tendering shareholders whose Shares are registered in their own names and who tender directly to Computershare, the Depositary for the Offer, will not be obligated to pay brokerage fees or commissions or, except as described in "Section 15. Fees and Expenses", stock transfer taxes on the purchase of Shares by us in the Offer. If you own your Shares through a bank, broker, dealer, trust company or other nominee and the nominee tenders your Shares on your behalf, the nominee may charge you a fee for doing so. You should consult your bank, broker, dealer, trust company or other nominee to determine whether any charges apply.

The Company will pay all reasonable charges and expenses of the Dealer Managers, the Information Agent and the Depositary incurred in connection with the Offer. All Shares not purchased pursuant to the Offer, including Shares not purchased because of proration, will be returned to the tendering shareholders at the Company's expense.

The Shares are listed and traded on the NYSE under the symbol "WTM" and the Bermuda Stock Exchange under the symbol "WTM-BH". On August 16, 2011, the last full trading day before the public announcement of the Offer, the last reported closing sale price of the Shares on the NYSE was \$403.00 per Share. **Shareholders are urged to obtain a current market quotation for the Shares.** See "Section 7. Price Range of Shares; Dividends".

YOU SHOULD READ CAREFULLY THE INFORMATION SET FORTH OR INCORPORATED BY REFERENCE IN THIS OFFER TO PURCHASE OR IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING OUR REASONS FOR MAKING THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

THE OFFER

1. Number of Shares; Proration. Upon the terms and subject to the conditions of the Offer (including, if the Offer is extended or amended, the terms and conditions of such extension or amendment), the Company will accept for payment, and will pay for up to 300,000 Shares, properly tendered and not properly withdrawn in accordance with "Section 3. Withdrawal Rights", before the Expiration Date at a Purchase Price not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest.

The term "Expiration Date" means 12:00 midnight, New York City time, on September 15, 2011, unless and until the Company shall have extended the period during which the Offer is open, in which event the term "Expiration Date" shall mean the latest time and date at which the Offer, as so extended by the Company under Section 14, shall expire.

If the Offer is oversubscribed as described below, Shares properly tendered at or below the Purchase Price and not properly withdrawn will be subject to proration, except for "odd lots". The proration period and, except as described herein, withdrawal rights, expire at the Expiration Date.

Subject to all applicable laws and the terms and conditions of the Offer, the Company reserves the right, as described in "Section 8. Conditions to the Offer" and in "Section 14. Extension of the Offer; Termination; Amendment", to waive conditions thereto, in its sole discretion, and/or extend, withdraw, terminate, delay or amend the Offer in any case by making a public announcement thereof. There can be no assurance, however, that the Company will exercise its right to extend the Offer.

In accordance with Instruction 7 to the Letter of Transmittal, shareholders desiring to tender Shares must either (i) specify that they are willing to sell their Shares to us at the price determined in the Offer or (ii) specify the price, not greater than \$435 or less than \$385 per Share (in multiples of \$1.00), at which they are willing to sell their Shares to us in the Offer. Promptly following the Expiration Date, we will, upon the terms and subject to the conditions of the Offer, determine a single per Share Purchase Price that we will pay for Shares properly tendered and not properly withdrawn pursuant to the Offer, taking into account the number of Shares tendered and the prices at which they are tendered. We will select the lowest purchase price specified by tendering shareholders that will allow us to buy 300,000 Shares or, if a lesser number of Shares is properly tendered, all Shares that are properly tendered and not properly withdrawn. All Shares purchased in the Offer will be purchased at the same Purchase Price. If tendering shareholders wish to maximize the chance that their Shares will be purchased, they should check the box in the section of the Letter of Transmittal captioned "Shares Tendered at a Price Determined Pursuant to the Offer". Note that this election could result in the tendered Shares being purchased at the minimum price of \$385 per Share.

In the event that more than 300,000 Shares are properly tendered in the Offer, we may exercise our right to amend the Offer to purchase up to an additional 2% of our outstanding Shares without extending the Expiration Date. If we exercise our right to purchase up to an additional 2% of our outstanding Shares, then we could have as few as 7,499,418 Shares outstanding following the purchase of the Shares tendered in the Offer. We also expressly reserve the right, in our sole discretion, to purchase additional Shares subject to applicable legal requirements.

Only Shares properly tendered at prices at or below the Purchase Price and not properly withdrawn will be purchased. However, because of the proration provisions of the Offer, not all of the Shares tendered at or below the Purchase Price may be purchased if more than the number of Shares we seek are properly tendered. All Shares tendered and not purchased in the Offer, including Shares tendered at or below the Purchase Price and Shares not purchased because of proration, will be returned to the tendering shareholders at our expense promptly following the Expiration Date.

THE OFFER IS NOT CONDITIONED UPON THE RECEIPT OF FINANCING OR ANY MINIMUM NUMBER OF SHARES BEING TENDERED. THE OFFER IS, HOWEVER, SUBJECT TO CERTAIN OTHER CONDITIONS. SEE "SECTION 8. CONDITIONS TO THE OFFER".

Priority of Purchases. If more than 300,000 Shares (or such greater number of Shares as the Company may elect to purchase, subject to applicable law) are properly tendered at or below the Purchase Price and not properly withdrawn, we will purchase Shares in the following order of priority:

- *First*, we will purchase all "odd lots" of less than 100 Shares at the Purchase Price from shareholders who properly tender all of their Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date; and
- *Second*, after purchasing all the "odd lots" that were properly tendered at or below the Purchase Price, we will purchase Shares at the Purchase Price from all other holders who properly tender Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date, on a pro rata basis, with appropriate adjustments to avoid purchases of fractional Shares, until we have acquired the number of Shares that we have offered to purchase.

Therefore, we may not purchase all of the Shares that you tender even if you tender them at or below the Purchase Price.

Odd Lots. The term "odd lots" means all Shares tendered by any person (an "Odd Lot Holder") who owned beneficially or of record a total of fewer than 100 Shares and so certified in the appropriate place on the Letter of Transmittal and, if applicable, on the Notice of Guaranteed Delivery. To qualify for the odd lot preference, an odd lot holder must tender all Shares owned in accordance with the procedures described in Section 4. Odd lots will be accepted for payment before any proration of the purchase of other tendered Shares. Any Odd Lot Holder wishing to tender all of the shareholder's Shares pursuant to the Offer must complete the section entitled "Odd Lots" in the Letter of Transmittal and, if applicable, in the Notice of Guaranteed Delivery. See "Section 2. Procedures for Tendering Shares".

Proration. In the event that proration of tendered Shares is required, the Company will determine the final proration factor as promptly as practicable after the Expiration Date. Proration for each shareholder tendering Shares (excluding Odd Lot Holders) will be based on the ratio of the number of Shares tendered by the shareholder to the total number of Shares at or below the Purchase Price tendered by all shareholders excluding Odd Lot Holders. Although the Company does not expect that it will be able to announce the final proration factor until approximately five NYSE trading days after the Expiration Date, it will announce preliminary results of proration by press release as promptly as practicable after the Expiration Date. Shareholders may obtain such preliminary information from the Information Agent and may be able to obtain such information from their brokers or financial advisors.

All Shares not purchased pursuant to the Offer, including Shares not purchased because of proration, will be returned to the tendering shareholders at the Company's expense promptly (which, in the event of proration, is expected to be approximately 12 NYSE trading days) following the Expiration Date.

As described in "Section 6. Certain U.S. Federal Income Tax Consequences", the number of Shares that we will purchase from a shareholder pursuant to the Offer may affect the United States Federal income tax consequences to the shareholder of the purchase and, therefore, may be relevant to a shareholder's decision whether or not to tender Shares. The Letter of Transmittal affords each shareholder who tenders Shares registered in such shareholder's name directly to the Depository the opportunity to designate the order of priority in which Shares tendered are to be purchased in the

event of proration as well. In the event the shareholder does not designate the order and fewer than all Shares are purchased due to proration, the Depositary will select the order of Shares purchased.

2. Procedures for Tendering Shares. General. Except as set forth below, in order for Shares to be validly tendered pursuant to the Offer, the Letter of Transmittal, properly completed and duly executed, together with any required signature guarantees (or, in the case of a book-entry transfer, an Agent's Message in lieu of the Letter of Transmittal) and any other documents required by the Letter of Transmittal, must be received by the Depositary at one of its addresses set forth on the back cover of this Offer to Purchase and either (i) the Certificates evidencing tendered Shares must be received by the Depositary at such address or such Shares must be tendered pursuant to the procedure for book-entry transfer described below and a Book-Entry Confirmation must be received by the Depositary (including an Agent's Message if the tendering shareholder has not delivered a Letter of Transmittal), in each case on or prior to the Expiration Date, or (ii) the tendering shareholder must comply with the guaranteed delivery procedures described below. No alternative, conditional or contingent tenders will be accepted. The term "Agent's Message" means a message, transmitted by electronic means to, and received by, the Depositary and forming a part of a Book-Entry Confirmation that states that (i) DTC has received an express acknowledgment from the participant in DTC tendering the Shares that are the subject of such Book-Entry Confirmation, (ii) such participant has received and agrees to be bound by the terms of the Letter of Transmittal and (iii) the Company may enforce such agreement against such participant.

In accordance with Instruction 7 to the Letter of Transmittal, each shareholder desiring to tender Shares in the Offer must either (i) check the box in the section of the Letter of Transmittal captioned "Shares Tendered at a Price Determined Pursuant to the Offer," in which case you will be deemed to have tendered your Shares at the minimum price of \$385 per Share or (ii) check one of the boxes in the section of the Letter of Transmittal captioned "Shares Tendered at a Price Determined by Shareholder," indicating the price at which Shares are being tendered. **A tender of Shares will be proper if, and only if, one of these boxes is checked on the Letter of Transmittal.**

If tendering shareholders wish to maximize the chance that their Shares will be purchased, they should check the box in the section on the Letter of Transmittal captioned "Shares Tendered At Price Determined Pursuant To The Offer". The lower end of the price range for the Offer is below the closing market price for the Shares on August 16, 2011, the last full trading day prior to the public announcement of the Offer.

You should understand that checking the box in the section of the Letter of Transmittal captioned "Shares Tendered at a Price Determined Pursuant to the Offer" may lower the purchase price paid for all purchased Shares in the Offer and could result in the tendered Shares being purchased at the minimum price of \$385 per share.

If tendering shareholders wish to indicate a specific price (in multiples of \$1.00) at which their Shares are being tendered, they must check a box under the section captioned "Price (in Dollars) per Share at Which Shares are Being Tendered". Tendering shareholders should be aware that this election could mean that none of their Shares will be purchased if they check a box other than the box representing the lowest price. A shareholder who wishes to tender Shares at more than one price must complete separate Letters of Transmittal for each price at which Shares are being tendered. The same Shares cannot be tendered (unless previously properly withdrawn in accordance with the terms of the Offer) at more than one price. In the event a holder who has submitted multiple Letters of Transmittal wishes to withdraw previously tendered shares in accordance with the terms of the Offer, separate notices of withdrawal (described in Section 3) are not required for each Letter of Transmittal unless each Letter of Transmittal tenders Shares at different prices; however, absent a notice of withdrawal, subsequent Letters of Transmittal do not revoke prior Letters of Transmittal. Shareholders may contact the Depositary for additional instructions.

Odd Lot Holders must tender all of their Shares and also complete the section captioned "Odd Lots" in the Letter of Transmittal and, if applicable, in the Notice of Guaranteed Delivery to qualify for the preferential treatment available to Odd Lot Holders as set forth in Section 1.

Shareholders holding their Shares in a brokerage account or otherwise through a broker, dealer, commercial bank, trust company or other nominee, must contact their brokers, dealer, commercial bank, trust company or such other nominee in order to tender their Shares. It is likely that the nominee has established an earlier deadline for you to act to instruct the nominee to accept the Offer on your behalf. Shareholders who hold Shares through nominee shareholders are urged to consult their nominees to determine whether transaction costs may apply if shareholders tender Shares through the nominees and not directly to the Depository.

Procedure for Plans. A participant in a Plan may instruct such Plan's trustee to tender some or all of the Shares allocated to such participant's account by completing and returning to the agent for such trustee an instruction form in accordance with the instructions in the letter furnished to participants in such Plan, in each case not later than four business days prior to the Expiration Date. All documents furnished to shareholders generally in connection with the Offer will be made available to participants whose Plan accounts are credited with Shares. Although the Offer will remain open to all shareholders until the Expiration Date, if the trustee for such a participant's Plan does not receive such participant's instructions by 5:00 p.m., New York City time, on September 9, 2011, such trustee will not tender Shares attributable to the participant's account unless the Offer is extended, in which case such participant's instruction must be received by 5:00 p.m., New York City time, on the date that is four business days before the new Expiration Date. Participants are urged to read the letter sent to them regarding and the separate instruction form carefully. Participants in the Plans cannot use the Letter of Transmittal to direct the tender of Shares held under their Plan, and must use the instruction form included in the separate letter sent to them. Participants in a Plan who also hold Shares outside such Plan must (i) complete an instruction form according to the instructions in the letter sent to them for Shares held under such Plan and (ii) use the applicable procedures otherwise described in this Offer to Purchase to tender Shares outside such Plan.

Book-Entry Transfer. The Depository will establish accounts with respect to the Shares at DTC for purposes of the Offer within two business days after the date of this Offer to Purchase. Any financial institution that is a participant in DTC's system may make a book-entry delivery of Shares by causing DTC to transfer such Shares into the Depository's account in accordance with DTC's procedures for such transfer. However, although delivery of Shares may be effected through book-entry transfer at DTC, either the Letter of Transmittal, properly completed and duly executed, together with any required signature guarantees, or an Agent's Message in lieu of the Letter of Transmittal, and any other required documents, must, in any case, be received by the Depository at one of its addresses set forth on the back cover of this Offer to Purchase prior to the Expiration Date, or the tendering shareholder must comply with the guaranteed delivery procedure described below. **DELIVERY OF DOCUMENTS TO DTC DOES NOT CONSTITUTE DELIVERY TO THE DEPOSITARY.**

Signature Guarantees. Signatures on all Letters of Transmittal must be guaranteed by a firm which is a member of the Securities Transfer Agent Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchange Medallion Program (each, an "Eligible Institution"), except in cases where Shares are tendered (i) by a registered holder (which term, for purposes of this Section 2, will include any participant in the DTC whose name appears on a security position listing as the owner of the Shares) of Shares who has not completed either the box entitled "Special Payment Instructions" or the box entitled "Special Delivery Instructions" on the Letter of Transmittal or (ii) for the account of an Eligible Institution.

If a Certificate is registered in the name of a person other than the signatory of the Letter of Transmittal, or if payment is to be made, or a Certificate not accepted for payment or not tendered is

to be returned, to a person other than the registered holder(s), then the Certificate must be endorsed or accompanied by appropriate share powers, in either case signed exactly as the name(s) of the registered holder(s) appear on the Certificate, with the signature(s) on such Certificate or share powers guaranteed by an Eligible Institution. If the Letter of Transmittal or share powers are signed or any Certificate is endorsed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and, unless waived by the Company, proper evidence satisfactory to the Company of their authority to so act must be submitted. See Instructions 1 and 5 of the Letter of Transmittal.

Guaranteed Delivery. If a shareholder desires to tender Shares pursuant to the Offer and the Certificates evidencing such shareholder's Shares are not immediately available or such shareholder cannot deliver the Certificates and all other required documents to the Depository prior to the Expiration Date, or such shareholder cannot complete the procedure for delivery by book-entry transfer on a timely basis, such Shares may nevertheless be tendered, provided that all the following conditions are satisfied:

(i) such tender is made by or through an Eligible Institution;

(ii) a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by the Company, is received prior to the Expiration Date by the Depository as provided below; and

(iii) the Certificates (or a Book-Entry Confirmation) evidencing all tendered Shares, in proper form for transfer, in each case together with the Letter of Transmittal, properly completed and duly executed, with any required signature guarantees (or, in connection with a book-entry transfer, an Agent's Message), and any other documents required by the Letter of Transmittal are received by the Depository within three NYSE trading days after the date of execution of such Notice of Guaranteed Delivery. A "trading day" is any day the NYSE is open for business.

The Notice of Guaranteed Delivery may be delivered by mail, express or overnight delivery, or transmitted by telegram or facsimile transmission to the Depository and must include a guarantee by an Eligible Institution in the form set forth in the form of Notice of Guaranteed Delivery made available by the Company.

In all cases, payment for Shares tendered and accepted for payment pursuant to the Offer will be made only after timely receipt by the Depository of the Certificates evidencing such Shares, or a Book-Entry Confirmation of the delivery of such Shares, and the Letter of Transmittal, properly completed and duly executed, with any required signature guarantees, and any other documents required by the Letter of Transmittal.

Shareholders may contact the Information Agent or their broker for assistance. The contact information for the Information Agent is on the back cover page of this Offer to Purchase.

THE METHOD OF DELIVERY OF CERTIFICATES AND ALL OTHER REQUIRED DOCUMENTS, INCLUDING DELIVERY THROUGH DTC, IS AT THE OPTION AND RISK OF THE TENDERING SHAREHOLDER, AND THE DELIVERY WILL BE DEEMED MADE ONLY WHEN ACTUALLY RECEIVED BY THE DEPOSITARY. IF DELIVERY IS BY MAIL, REGISTERED MAIL WITH RETURN RECEIPT REQUESTED, PROPERLY INSURED, IS RECOMMENDED. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY.

Determination of Validity. All questions as to the number of Shares to be accepted, the price to be paid for the Shares to be accepted and the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of Shares will be determined by the Company in its sole discretion, which determination shall be final and binding on all parties. The Company reserves the absolute right to reject any and all tenders determined by it not to be in proper form or the acceptance

for payment of which may, in the opinion of its counsel, be unlawful. The Company also reserves the absolute right to waive any condition of the Offer or any defect or irregularity in the tender of any particular Shares or any particular shareholder, whether or not similar defects or irregularities are waived in the case of other shareholders, and the Company's interpretation of the terms and conditions of the Offer will be final and binding on all persons. No tender of Shares will be deemed to have been validly made until all defects and irregularities have been cured or waived to the satisfaction of the Company. We will not be liable for failure to waive any condition of the Offer, or any defect or irregularity in any tender of Shares. Neither the Company, nor any other person will be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification. Our interpretation of the terms of and conditions to the Offer, including the Letter of Transmittal and the instructions thereto, will be final and binding on all persons participating in the Offer.

Tendering Shareholder's Representation and Warranty; Acceptance by the Company Constitutes an Agreement. A tender of Shares pursuant to any of the procedures described above will constitute the tendering shareholder's acceptance of the terms and conditions of the Offer, as well as the tendering shareholder's representation and warranty to the Company that (i) the shareholder has a "net long position," within the meaning of Rule 14e-4 promulgated by the SEC under the Exchange Act, in the Shares or equivalent securities at least equal to the Shares being tendered and (ii) the tender of Shares complies with Rule 14e-4. It is a violation of Rule 14e-4 for a person, directly or indirectly, to tender Shares for that person's own account unless, at the time of tender and at the end of the proration period or period during which Shares are accepted by lot (including any extensions thereof), the person so tendering (i) has a net long position equal to or greater than the amount of (a) Shares tendered or (b) other securities convertible into or exchangeable or exercisable for the Shares tendered and will acquire the Shares for tender by conversion, exchange or exercise and (ii) will deliver or cause to be delivered the Shares in accordance with the terms of the Offer. Rule 14e-4 provides a similar restriction applicable to the tender or guarantee of a tender on behalf of another person. Our acceptance for payment of Shares tendered pursuant to the Offer will constitute a binding agreement between the tendering shareholder and us upon the terms and conditions of the Offer.

Backup Federal Income Tax Withholding. Under the United States Federal income tax backup withholding rules, 28% of the gross proceeds payable to a shareholder or other payee pursuant to the Offer must be withheld and remitted to the United States Treasury, unless the shareholder or other payee provides his or her taxpayer identification number (employer identification number or social security number) to the Depository and certifies that such number is correct or an exemption otherwise applies under applicable regulations. Therefore, unless an exemption exists and is proven in a manner satisfactory to the Depository, each tendering shareholder should complete and sign the Substitute Form W-9 included as part of the Letter of Transmittal so as to provide the information and certification necessary to avoid backup withholding. Certain shareholders (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements. In order for a foreign individual to qualify as an exempt recipient, that shareholder must submit a statement (generally, an IRS Form W-8BEN), signed under penalties of perjury, attesting to that individual's exempt status. Such statements can be obtained from the Depository. See "Important Tax Information" and "Substitute Form W-9" in the Letter of Transmittal.

ANY TENDERING SHAREHOLDER OR OTHER PAYEE WHO FAILS TO COMPLETE FULLY AND SIGN THE SUBSTITUTE FORM W-9 INCLUDED IN THE LETTER OF TRANSMITTAL MAY BE SUBJECT TO REQUIRED UNITED STATES FEDERAL INCOME TAX BACKUP WITHHOLDING OF 28% OF THE GROSS PROCEEDS PAID TO SUCH SHAREHOLDER OR OTHER PAYEE PURSUANT TO THE TENDER OFFER.

Other Requirements. By executing the Letter of Transmittal as set forth above, a tendering shareholder irrevocably appoints designees of the Company as such shareholder's proxies, each with full power of substitution, in the manner set forth in the Letter of Transmittal, to the full extent of such shareholder's rights with respect to the Shares tendered by such shareholder and accepted for payment by the Company (and with respect to any and all other Shares or other securities issued or issuable in respect of such Shares on or after the date of this Offer to Purchase). All such proxies shall be considered coupled with an interest in the tendered Shares. Such appointment will be effective when, and only to the extent that, the Company accepts such Shares for payment. Upon such acceptance for payment, all prior proxies given by such shareholder with respect to such Shares (and such other Shares and securities) will be revoked without further action, and no subsequent proxies may be given nor any subsequent written consent executed by such shareholder (and, if given or executed, will not be deemed to be effective) with respect thereto. The designees of the Company will, with respect to the Shares for which the appointment is effective, be empowered to exercise all voting and other rights of such shareholder as they in their sole discretion may deem proper at any annual or special meeting of the Company's shareholders or any adjournment or postponement thereof, by written consent in lieu of any such meeting or otherwise. The Company reserves the right to require that, in order for Shares to be deemed validly tendered, immediately upon the Company's payment for such Shares, the Company must be able to exercise full voting rights with respect to such Shares.

The acceptance for payment by the Company of Shares pursuant to any of the procedures described above will constitute a binding agreement between the tendering shareholder and the Company upon the terms and subject to the conditions of the Offer.

If the Certificates which a registered holder wants to surrender have been lost, destroyed or stolen, the shareholder should follow the instructions set forth in the Letter of Transmittal.

CERTIFICATES FOR SHARES, TOGETHER WITH A PROPERLY COMPLETED AND DULY EXECUTED LETTER OF TRANSMITTAL, OR AN AGENT'S MESSAGE, AND ANY OTHER DOCUMENTS REQUIRED BY THE LETTER OF TRANSMITTAL, MUST BE DELIVERED TO THE DEPOSITARY AND NOT TO US OR THE INFORMATION AGENT. ANY SUCH DOCUMENTS DELIVERED TO US OR THE INFORMATION AGENT WILL NOT BE FORWARDED TO THE DEPOSITARY AND THEREFORE WILL NOT BE DEEMED TO BE PROPERLY TENDERED.

3. *Withdrawal Rights.* Tenders of the Shares made pursuant to the Offer are irrevocable, except that such Shares may be withdrawn at any time prior to the Expiration Date and, unless theretofore accepted for payment by the Company pursuant to the Offer, may also be withdrawn at any time after 11:59 p.m., New York City time, on October 14, 2011. If the Company extends the Offer, is delayed in its acceptance for payment of Shares or is unable to accept Shares for payment pursuant to the Offer for any reason, then, without prejudice to the Company's rights under the Offer, the Depositary may, nevertheless, on behalf of the Company, retain tendered Shares, and such Shares may not be withdrawn except to the extent that tendering shareholders are entitled to withdrawal rights as described in this Section 3.

For a withdrawal to be effective, a written notice of withdrawal must be timely received by the Depositary at one of its addresses set forth on the back cover page of this Offer to Purchase. Any such notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and, if different from that of the person who tendered such Shares, the name of the registered holder of such Shares. A shareholder who has tendered Shares at more than one price must complete a separate notice of withdrawal for Shares tendered at each price. If Certificates evidencing Shares to be withdrawn have been delivered or otherwise identified to the Depositary, then, prior to the physical release of such Certificates, the serial numbers shown on such Certificates must be submitted to the Depositary and the signature(s) on the notice of withdrawal must be guaranteed by an Eligible Institution, unless such Shares have been tendered for the account of an

Eligible Institution. If Shares have been tendered pursuant to the procedure for book-entry transfer as set forth in "Section 2. Procedures for Tendering Shares", any notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawn Shares or must otherwise comply with DTC's procedures.

Withdrawals of tenders of Shares may not be rescinded, and Shares properly withdrawn will thereafter be deemed not validly tendered for purposes of the Offer. However, withdrawn Shares may be retendered by following the procedures described in "Section 2. Procedures for Tendering Shares", at any time prior to the Expiration Date.

If you wish to withdraw tendered Shares held in a Plan, you must deliver an instruction form with the required information to the agent for the trustee of such Plan by 5:00 p.m., New York City time, on September 9, 2011, unless we extend the Offer, in which case you can instruct the trustee to withdraw your Shares until 5:00 p.m., New York City time, on the date that is four business days before the new Expiration Date. If you wish to withdraw tendered Shares held in a Plan, you must withdraw all such tendered Shares. If you withdraw Shares held in a Plan, you may retender such Shares by giving instruction to the trustee within the applicable time period as described in "Section 2. Procedures for Tendering Shares".

All questions as to the form and validity (including time of receipt) of any notice of withdrawal will be determined by the Company, in its sole discretion, whose determination will be final and binding. None of the Company, the Depository, the Information Agent or any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal or incur any liability for failure to give any such notification.

4. Acceptance for Payment and Payment for Shares. Upon the terms and subject to the conditions of the Offer, promptly following the Expiration Date, we (i) will determine which shareholders tendered Shares at or below the Purchase Price and (ii) will accept for payment and pay for (and thereby purchase) up to 300,000 Shares (or such greater number of Shares as we may elect to purchase, subject to applicable law) which are properly tendered at prices at or below the Purchase Price and not properly withdrawn on or before the Expiration Date.

In all cases, payment for Shares tendered and accepted for payment pursuant to the Offer will be made promptly, subject to possible delay in the event of proration, but only after timely receipt by the Depository of (i) the Certificates or timely confirmation (a "Book-Entry Confirmation") of a book-entry transfer of such Shares into the Depository's account at DTC pursuant to the procedures set forth in "Section 2. Procedures for Tendering Shares", (ii) the Letter of Transmittal, properly completed and duly executed, with any required signature guarantees or, in the case of a book-entry transfer, an Agent's Message (as defined below) in lieu of the Letter of Transmittal and (iii) any other documents required by the Letter of Transmittal.

In the event of proration, we will determine the proration factor and pay for those tendered Shares accepted for payment promptly after the Expiration Date. However, we do not expect to be able to announce the final results of any proration and commence payment for Shares purchased until approximately five business days after the Expiration Date.

For purposes of the Offer, the Company will be deemed to have accepted for payment, and thereby purchased, subject to the Odd Lot priority and proration, Shares validly tendered and not properly withdrawn, if and when the Company gives oral or written notice to the Depository, as agent for the tendering shareholders, of the Company's acceptance for payment of such Shares pursuant to the Offer. Upon the terms and subject to the conditions of the Offer, payment for Shares accepted for payment pursuant to the Offer will be made by deposit of the Purchase Price with the Depository, which will act as agent for tendering shareholders for the purpose of receiving payments from the

Company and transmitting such payments to tendering shareholders whose Shares have been accepted for payment.

Under no circumstances will we pay interest on the Purchase Price, including but not limited to, by reason of any delay in making payment.

We will pay all stock transfer taxes, if any, payable on the transfer to us of Shares purchased pursuant to the Offer. If, however, payment of the Purchase Price is to be made to, or (in the circumstances permitted by the Offer) unpurchased Shares are to be registered in the name of, any person other than the registered holder, or if tendered book-entry accounts are registered in the name of any person other than the person signing the Letter of Transmittal, the amount of all stock transfer taxes, if any (whether imposed on the registered holder or the other person), payable on account of the transfer to the person will be deducted from the Purchase Price unless satisfactory evidence of the payment of the stock transfer taxes, or exemption from payment of the stock transfer taxes, is submitted.

If any tendered Shares are not accepted for payment for any reason pursuant to the terms and conditions of the Offer (including those not purchased because of proration or because Shares are tendered at prices in excess of the Purchase Price), or if Certificates are submitted evidencing more Shares than are tendered, unless a shareholder specified otherwise in the Letter of Transmittal Certificates evidencing unpurchased Shares will be returned, without expense to the tendering shareholder (or, in the case of Shares tendered by book-entry transfer into the Depository's account at DTC pursuant to the procedure set forth in "Section 2. Procedures for Tendering Shares", such Shares will be credited to an account maintained at DTC), promptly following the expiration or termination of the Offer.

5. Purpose of the Offer; Certain Effects of the Offer. The Offer is being made to utilize a portion of the Company's undeployed capital and to provide shareholders with added liquidity. The Company recognizes that its Shares are not widely held and are not regularly followed by many analysts. Based on existing circumstances, the Company believes that it currently has adequate capital and liquidity to fund the maximum amount contemplated by the Offer and to meet its ongoing needs. Accordingly, we have determined that it is in the interest of the Company's shareholders to create a selling opportunity for shareholders through a repurchase by the Company of up to 300,000 Shares. The Offer represents the opportunity for us to return capital to shareholders who elect to tender their Shares. The Offer will also afford to shareholders the opportunity to dispose of Shares without the usual transaction costs associated with any market sale; however, if you hold your Shares through a broker, dealer, commercial bank, trust company or other nominee and your nominee tenders Shares on your behalf, your nominee may charge you a fee for doing so.

The Offer will further allow qualifying Odd Lot Holders whose Shares are purchased pursuant to the Offer to avoid the payment of brokerage commissions and any applicable odd-lot discount payable on a sale of Shares in a transaction effected on a securities exchange.

To the extent the purchase of Shares in the Offer results in a reduction in the number of shareholders of record, the costs to the Company for services to shareholders will be reduced. We can give no assurance, however, that we will not issue additional Shares or equity interests in the future. Shareholders may be able to sell non-tendered Shares in the future on the NYSE or otherwise, at a net price which may be higher than the Purchase Price in the Offer. We can give no assurance, however, as to the price at which a shareholder may be able to sell his or her Shares in the future, which may be higher or lower than the Purchase Price paid by us in the Offer.

Shareholders whose Shares are not purchased in the Offer will obtain an increase in their ownership interest in the Company and thus in the Company's future earnings and assets because Shares purchased pursuant to the Offer will be cancelled.

OUR BOARD HAS APPROVED THE OFFER. HOWEVER, NONE OF THE COMPANY, OUR BOARD, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER ANY SHAREHOLDER SHOULD TENDER SHARES PURSUANT TO THE OFFER, OR AS TO THE PURCHASE PRICE(S) AT WHICH SHAREHOLDERS MAY CHOOSE TO TENDER. EACH SHAREHOLDER MUST MAKE HIS OR HER OWN DECISION AFTER CONSULTING WITH HIS OR HER OWN ADVISORS WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER AND THE PRICE(S) AT WHICH SUCH SHAREHOLDER WILL TENDER THEM. IN DOING SO, SHAREHOLDERS SHOULD READ CAREFULLY THE INFORMATION IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING THE PURPOSES AND EFFECTS OF THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

ALL OF OUR DIRECTORS AND EXECUTIVE OFFICERS HAVE ADVISED US THAT THEY DO NOT INTEND TO TENDER ANY SHARES OWNED BY THEM IN THE OFFER. SEE "SECTION 11. INTERESTS OF DIRECTORS AND EXECUTIVE OFFICERS; TRANSACTIONS AND ARRANGEMENTS CONCERNING THE SHARES".

In the future, the Company's Board may authorize repurchases of Shares aside from the Offer, subject to any applicable legal requirements. Future repurchases, if any, may be on the same terms or on terms which are more or less favorable to shareholders than the terms of the Offer. Any possible future repurchases of Shares by the Company would depend on many factors, including among others, the market price of the Shares, the results of the Offer, the Company's business and financial position (including its liquidity and alternative uses for the Company's resources) and general economic and market conditions. Rule 13e-4 under the Exchange Act generally prohibits the Company and its affiliates from purchasing any Shares, other than pursuant to the Offer, for at least ten business days after the Expiration Date.

Shares acquired by the Company pursuant to the Offer will be cancelled. The purchase of up to 300,000 Shares pursuant to the Offer will not cause the Shares to be delisted by the NYSE or deregistered under the Exchange Act. See "Section 8. Conditions to the Offer".

Except as disclosed in our filings with the SEC incorporated herein by reference (see "Section 9. Certain Information Concerning the Company"), including the previously announced sale of our Esurance and Answer Financial Businesses, we do not have any plans, proposals or negotiations under way that would result in: (i) any extraordinary transaction (such as a merger, reorganization or liquidation); (ii) any purchase, sale or transfer of a material amount of assets or any subsidiaries; (iii) any change in the Board or management or material term of the employment contract of any executive officer; (iv) any material change in current dividend rate/policy or capitalization, indebtedness, corporate structure or business; (v) any class of equity securities ceasing to be authorized to be quoted on the NYSE; (vi) any class of equity securities becoming eligible for termination of registration under Section 12(g); (vii) the suspension of the obligation to file reports under the Exchange Act; (viii) the acquisition or disposition by us of any securities issued by the Company; or (ix) any changes in articles of incorporation, bylaws or other governing instruments or other actions that could impede the acquisition of control of the Company.

Although we do not currently have plans, other than as described in this Offer to Purchase, that relate to or would result in any of the events discussed above, we continue to evaluate opportunities for increasing shareholder value, and we may undertake or plan actions that relate to or could result in one or more of those events.

6. Certain U.S. Federal Income Tax Consequences. This is a general summary of the material U.S. Federal income tax consequences of the sale of Shares pursuant to the Offer applicable to "U.S. Holders" as defined below. This discussion is based on the Internal Revenue Code of 1986, as

amended (the "Code"), applicable Treasury Regulations and administrative and judicial interpretations, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all the tax consequences that may be relevant to a particular shareholder in light of the shareholder's particular circumstances. Different rules that are not discussed below may apply to some shareholders such as partnerships (or entities classified as partnerships for U.S. Federal income tax purposes), insurance companies, tax-exempt persons, financial institutions, regulated investment companies, dealers in securities or currencies, persons that hold Shares as a position in a "straddle" or as part of a "hedge", "conversion transaction" or other integrated investment, persons who received Shares as compensation or persons whose functional currency is other than the United States dollar. This summary does not address any state, local or foreign tax or alternative minimum tax considerations that may be relevant to a shareholder's decision to tender Shares pursuant to the Offer. This summary assumes Shares are held as capital assets within the meaning of Section 1221 of the Code.

EACH SHAREHOLDER IS URGED TO CONSULT HIS OR HER OWN TAX ADVISOR WITH RESPECT TO THE U.S. FEDERAL, STATE AND LOCAL CONSEQUENCES OF PARTICIPATING IN THE OFFER, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY OTHER TAXING JURISDICTION.

A "U.S. Holder" is a beneficial owner of Shares who is:

(i) a citizen or resident of the United States;

(ii) a corporation (or other business entity treated as a corporation for U.S. Federal income tax purposes) created or organized in or under the laws of the United States any state thereof, or the District of Columbia;

(iii) an estate, the income of which is subject to U.S. Federal income tax regardless of its source; or

(iv) a trust that (A) is subject to the primary supervision of a court within the United States and the control of one or more U.S. persons, or (B) otherwise has validly elected to be treated as a U.S. domestic trust for U.S. Federal income tax purposes.

A "Non-U.S. Holder" is a beneficial owner of Shares who is not a U.S. Holder.

Tax Consequences of Offer—Distribution vs. Sale Treatment. The Company's purchase of Shares from a U.S. Holder pursuant to the Offer will be treated either as a sale of the Shares or as a distribution by the Company. The purchase will be treated as a sale if the U.S. Holder meets any of the three tests discussed below. It will be treated as a distribution if the U.S. Holder satisfies none of those tests.

If the purchase of Shares from a U.S. Holder is treated as a sale, the U.S. Holder will recognize gain or loss equal to the difference between the amount of cash received by the U.S. Holder and the U.S. Holder's tax basis in the Shares sold. The gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Shares were held more than one year. A U.S. Holder must calculate gain or loss separately for each block of Shares that he or she owns. A U.S. Holder may be able to designate which blocks and the order of such blocks of Shares to be tendered pursuant to the Offer. We believe that we are currently a "U.S.-owned foreign corporation" for U.S. Federal income tax purposes. As such, the gain or loss will be U.S. source for foreign tax credit purposes.

If the purchase of Shares from a U.S. Holder is treated as a distribution by the Company, the full amount of cash received by the particular U.S. Holder for the Shares (without any offset for the U.S. Holder's tax basis in the purchased Shares) will be treated as a dividend to the extent of the Company's current and accumulated earnings and profits allocable to the distribution. Provided certain holding period requirements are satisfied, non-corporate holders generally will be subject to United States Federal income tax at a maximum rate of 15% on amounts treated as dividends. The tax basis of the

U.S. Holder's sold Shares will be added to the tax basis of the remaining Shares. The Company believes that it has sufficient current and accumulated earnings and profits so that all purchases treated as distributions will be treated as dividends and therefore taxed as ordinary income. Any dividends will generally be treated as U.S. source for foreign tax credit purposes. To the extent, if any, payments made by the Company exceed a U.S. Holder's allocable share of our current and accumulated earnings and profits, the distribution will first be treated as a non-taxable return of capital, causing a reduction in the U.S. Holder's adjusted basis in his or her Shares, and any amounts in excess of the U.S. Holder's adjusted basis will constitute capital gain. Shareholders should consult their tax advisors concerning the rules discussed in this paragraph in light of their circumstances.

Determination of Sale or Distribution Treatment. The Company's purchase of Shares pursuant to the Offer will be treated as a sale of the Shares by a U.S. Holder if:

- (a) the purchase completely terminates the U.S. Holder's equity interest in the Company;
- (b) the receipt of cash by the U.S. Holder is "not essentially equivalent to a dividend"; or
- (c) as a result of the purchase there is a "substantially disproportionate" reduction in the U.S. Holder's equity interest in the Company.

If none of these tests are met with respect to a particular U.S. Holder, then the Company's purchase of Shares from that U.S. Holder pursuant to the Offer will be treated as a distribution.

In applying these tests, the constructive ownership rules of Section 318 of the Code apply. Thus, a U.S. Holder is treated as owning not only Shares actually owned by the U.S. Holder but also Shares actually (and in some cases constructively) owned by others. Under the constructive ownership rules, a U.S. Holder will be considered to own Shares owned, directly or indirectly, by certain members of the U.S. Holder's family and certain entities (such as corporations, partnerships, trusts and estates) in which the U.S. Holder has an equity interest, as well as Shares that the U.S. Holder has an option to purchase.

It may be possible for a tendering U.S. Holder to satisfy one of these three tests by contemporaneously selling or otherwise disposing of all or some of the Shares that such U.S. Holder actually or constructively owns that are not purchased pursuant to the Offer. Correspondingly, a tendering U.S. Holder may not be able to satisfy one of these three tests because of contemporaneous acquisitions of Shares by that U.S. Holder or a related party whose Shares are attributed to such U.S. Holder. **Shareholders should consult their tax advisors regarding the tax consequences of such sales or acquisitions in their particular circumstances.**

Complete Termination. A purchase of Shares pursuant to the Offer will result in a "complete termination" of the U.S. Holder's interest in the Company if, immediately after the sale, either:

- (a) the U.S. Holder owns, actually and constructively, no Shares; or
- (b) the U.S. Holder actually owns no Shares and effectively waives any constructively owned Shares under the procedures described in Section 302(c)(2) of the Code. If a U.S. Holder desires to file such a waiver, the U.S. Holder should consult his or her own tax advisor.

Not Essentially Equivalent to a Dividend. A purchase of Shares pursuant to the Offer will be treated as "not essentially equivalent to a dividend" if it results in a "meaningful reduction" in the selling U.S. Holder's proportionate interest in the Company. Whether a U.S. Holder meets this test will depend on relevant facts and circumstances. The Internal Revenue Service (the "IRS") has held in a published ruling that, under the particular facts of that ruling, a small reduction in the percentage share ownership of a small minority U.S. Holder in a publicly and widely held corporation who did not exercise any control over corporate affairs constituted a "meaningful reduction".

In measuring the change, if any, in a U.S. Holder's proportionate interest in the Company, the meaningful reduction test is applied by taking into account all Shares that the Company purchases pursuant to the Offer, including Shares purchased from other U.S. Holders.

If, taking into account the constructive ownership rules of Section 318 of the Code, a U.S. Holder owns Shares that constitute only a minimal interest in the Company and does not exercise any control over the affairs of the Company, any reduction in the U.S. Holder's percentage ownership interest in the Company should be a "meaningful reduction". Such selling U.S. Holder should, under these circumstances, be entitled to treat his or her sale of Shares pursuant to the Offer as a sale for U.S. Federal income tax purposes. Shareholders should consult their own tax advisors with respect to the application of the "not essentially equivalent to a dividend" test to their particular situation and circumstances.

Substantially Disproportionate. A purchase of Shares pursuant to the Offer will be "substantially disproportionate" as to a U.S. Holder if (i) the percentage of the then outstanding Shares actually and constructively owned by such U.S. Holder immediately after the purchase is less than 80% of the percentage of the outstanding Shares actually and constructively owned by such U.S. Holder immediately before its sale of Shares, and (ii) the percentage of our outstanding voting stock actually and constructively owned by such U.S. Holder immediately after the purchase is less than 80% of the percentage of our outstanding voting stock actually and constructively owned by such U.S. Holder immediately before its sale of Shares. Shareholders should consult their own tax advisors with respect to the application of the "substantially disproportionate" test to their particular situation and circumstances.

The Company Cannot Predict Whether There Will Be Sale or Distribution Treatment. The Company cannot predict whether or the extent to which the Offer will be oversubscribed. If the Offer is oversubscribed, proration of tenders pursuant to the Offer will cause the Company to accept fewer Shares than are tendered. Consequently, the Company can give no assurance that a sufficient number of any U.S. Holder's Shares will be purchased pursuant to the Offer to ensure that such purchase will be treated as a sale, rather than as a distribution, for U.S. Federal income tax purposes under the rules discussed above.

Corporate Dividends-received Deduction. In the case of a corporate U.S. Holder, if cash received pursuant to the Offer is treated as a dividend, the resulting dividend income will not qualify for the dividends-received deduction otherwise generally available to corporate U.S. Holders, except to the extent from earnings and profits accumulated before the Company was organized under the laws of Bermuda in 1999. Corporate U.S. Holders may be eligible for the dividends-received deduction to the extent dividends are paid out of such earnings and profits. The dividends-received deduction is subject to certain limitations and may not be available if the corporate U.S. Holder does not satisfy certain holding period requirements with respect to the Shares or if the Shares are treated as "debt financed portfolio stock". Corporate U.S. Holders are urged to consult with their own tax advisors regarding the availability of the dividends-received deduction and the likelihood that the dividend would be treated as an "extraordinary dividend" under Section 1059(a) of the Code, and the tax consequences to them therefrom.

Consequences to Shareholders Who Do Not Sell Shares Pursuant to the Offer. Shareholders (including Non-U.S. Holders) who do not sell Shares pursuant to the Offer will not incur any tax liability as a result of the consummation of the Offer.

Taxation of Non-U.S. Holders. Non-U.S. Holders will generally not be subject to U.S. Federal income taxation as a result of selling Shares pursuant to the Offer. The rules governing U.S. Federal income taxation of the receipt by Non-U.S. Holders of cash pursuant to the Offer, however, are complex and each Non-U.S. Holder should consult his or her own tax advisors concerning the application of U.S. Federal, state, local and foreign income tax laws to that shareholder.

Backup Federal Income Tax Withholding. See Section 2 with respect to the application of backup United States Federal income tax withholding.

To prevent backup withholding and possible penalties, each shareholder should complete the substitute Form W-9 included in the Letter of Transmittal. In order to qualify for an exemption from backup withholding, a Non-U.S. Holder must submit a properly executed IRS Form W-8BEN or other applicable form to the Depository. Any amount paid as backup withholding will be creditable against the shareholder's U.S. Federal income tax liability provided that the required information is timely furnished to the IRS.

Historically, dividends have been declared and paid on an annual basis. On February 24, 2011, the Board declared an annual dividend of \$1.00 per Share, payable March 30, 2011, to shareholders of record as of March 21, 2011. There can be no assurance that we will pay a regular annual dividend in the future. The amount and timing of all future dividend payments is subject to the discretion of the Board and will depend upon business conditions, results of operations, the Company's financial condition and other factors.

8. Conditions to the Offer. Notwithstanding any other provision of the Offer, and in addition to (and not in limitation of) the Company's right to extend, amend or terminate the Offer as set forth in Section 14, the Company shall not be required to accept for payment or pay for any Shares tendered, or may postpone the acceptance for payment of or the payment for Shares tendered, subject to

Rule 13e-4(f) promulgated under the Exchange Act, if, before acceptance for payment of or payment for any such Shares, any of the following has occurred:

- there shall have been threatened, instituted or pending any action or proceeding by any government or governmental, regulatory or administrative agency or authority or tribunal or any other person, domestic or foreign, before any court or governmental, regulatory or administrative authority, agency or tribunal, domestic, foreign or supranational, that (i) challenges, makes illegal, or delays or otherwise directly or indirectly restrains, prohibits or otherwise adversely affects the making of the Offer or the acquisition of Shares pursuant to the Offer, or otherwise, directly or indirectly, relates in any manner to the Offer; or (ii) we reasonably determine does or could materially and adversely affect the business, condition (financial or otherwise), income, assets, operations or prospects of the Company and its subsidiaries or otherwise materially impair the contemplated future conduct of the business of the Company or any of its principal subsidiaries or materially impair the benefits of the Offer to the Company;
- there shall have been any action threatened, pending or taken, or approval withheld, or any statute, rule, regulation, judgment, order or injunction threatened, proposed, sought, promulgated, enacted, entered, amended, enforced or deemed to be applicable to the Offer or the Company or any of its subsidiaries, by any court or any government or governmental, regulatory or administrative authority, agency or tribunal, domestic, foreign or supranational that directly or indirectly (i) makes the acceptance for payment of, or payment for, some or all the Shares illegal or otherwise restricts or prohibits consummation of the Offer; (ii) delays or restricts the ability of the Company, or renders the Company unable, to accept for payment, or pay for, some or all the Shares; or (iii) in our reasonable judgment does or could materially and adversely affect the business, condition (financial or otherwise), income, assets, operations or prospects of the Company and its subsidiaries or otherwise materially impair the contemplated future conduct of the business of the Company or any of its principal subsidiaries or materially impair the benefits of the Offer to the Company;
- there shall have occurred (i) any general suspension of trading in, or limitation on prices for, securities on any United States national securities exchange or in the over-the-counter market (excluding any coordinated trading halt triggered solely as a result of a specified decrease in a market index); (ii) the declaration of a banking moratorium or any suspension of payments in respect of banks in the United States, the European Union or Bermuda; (iii) the commencement of a war, armed hostilities, an act of terrorism, or other international or national crisis directly or indirectly involving the United States, the European Union or Bermuda; (iv) any limitation (whether or not mandatory) by any governmental, regulatory or administrative agency or authority on, or any event that we reasonably determine might affect, the extension of credit by banks or other lending institutions in the United States, the European Union or Bermuda, (v) any change in the general political, market, economic or financial conditions in the United States or abroad that we reasonably determine does or could materially and adversely affect the business, condition (financial or otherwise), income, assets, operations or prospects of the Company and its subsidiaries or the trading in the Shares or otherwise materially impair the contemplated future conduct of the business of the Company or any of its principal subsidiaries or materially impair the benefits of the Offer to the Company; or (vi) in the case of any of the foregoing existing at the time of the commencement of the Offer, in our reasonable judgment, a material escalation, acceleration or worsening thereof;
- there shall have occurred any decline of more than 10% in the market price for the Shares or in the Dow Jones Industrial Average, New York Stock Exchange Composite Index, NASDAQ Composite Index or the Standard and Poor's 500 Index, as measured in each case from the close of business on August 17, 2011;

- there shall have occurred a material change in U.S. or any other currency exchange rates or a suspension of or limitation on the markets for such currencies that we reasonably determine does or could materially and adversely affect the business, condition (financial or otherwise), income, assets, operations or prospects of the Company or any of its subsidiaries or materially impair the future conduct of the business of the Company or any of its principal subsidiaries or materially impair the benefits of the Offer to the Company;
- after August 17, 2011, any other change, event or development shall occur or be threatened or be reasonably anticipated by the Company that we reasonably determine does or could materially and adversely affect the business, condition (financial or otherwise), income, assets, operations or prospects of the Company and its subsidiaries or otherwise materially impair the contemplated future conduct of the business of the Company or any of its principal subsidiaries or materially impair the benefit of the Offer to the Company;
- legislation amending the Code (as defined in Section 6) shall have been passed by either the U.S. House of Representatives or the Senate or pending before the U.S. House of Representatives or the Senate or any committee thereof that we reasonably determine could materially and adversely change the tax consequences of the transaction contemplated by the Offer to the Company or any of its subsidiaries;
- any person, entity or group shall have filed a Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or made a public announcement reflecting an intent to acquire the Company or any of its subsidiaries or a material portion of their respective assets or securities;
- after August 17, 2011, any tender or exchange offer with respect to the Shares (other than the Offer), or any merger, acquisition, business combination or other similar transaction with or involving the Company or any of its subsidiaries, shall have been proposed, announced or made by any person or entity;
- after August 17, 2011, any change, event or development shall occur or be threatened that we reasonably determine makes it likely that a condition to the sale by White Mountains Holdings (Luxembourg) S.á r.l. of the Esurance and Answer Financial businesses to The Allstate Corporation pursuant to the Stock Purchase Agreement, dated as of May 17, 2011, between White Mountains Holdings (Luxembourg) S.á r.l. and The Allstate Corporation, will not be satisfied; or
- we reasonably determine that the purchase of Shares pursuant to the Offer will cause either (i) the Shares to be held of record by less than 300 persons; (ii) delisted from the NYSE or (iii) eligible for deregistration under the Exchange Act.

The foregoing conditions are for the sole benefit of the Company and may be asserted by us regardless of the circumstances (including any action or inaction by the Company) giving rise to any such condition and any such condition may be waived by us, in whole or in part, at any time and from time to time in our sole discretion. In certain cases, waiver of a condition to the Offer would require an extension of the Offer. See "Section 14. Extension of the Offer; Termination; Amendment".

The Company's failure at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right; the waiver of any such right with respect to particular facts and circumstances shall not be deemed a waiver with respect to any other facts or circumstances; and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time. However, once the Offer has expired, then all of the conditions to the Offer, other than those requiring necessary government approval, must have been satisfied or waived. Any determination by the Company concerning the events described above will be final and binding on all parties.

10. Source and Amount of Funds. Assuming that the maximum number of Shares are tendered in the Offer and the Purchase Price is an amount between \$385 and \$435 per share, the aggregate purchase price for the Shares will be between approximately \$115,500,000 and \$130,500,000. The Company intends to fund the purchase of Shares with available cash, including cash from the sale of liquid investments and, if necessary, borrowings under our Credit Facility (as defined below).

Effective August 12, 2011, we entered into a Credit Agreement (the "Credit Agreement") by and among White Mountains Insurance Group, Ltd. (the "Borrower") and Lone Tree Insurance Group Ltd. and Lone Tree Holdings Ltd., each a guarantor, the lenders named therein, and Bank of America, N.A. ("BofA"), as Administrative Agent, Swing Line Lender and an Issuing Lender. Subject to the terms and conditions of the Credit Agreement, the Credit Agreement provides the Company with a senior unsecured revolving credit facility of up to \$375 million (the "Credit Facility"), which replaces the Borrower's previously existing credit facility. The Company may use a portion of the principal borrowed thereunder to finance the Offer.

Borrowings under the Credit Facility bear interest at a rate per annum equal to, at the Borrower's option, either (a) a base rate determined by reference to the highest of (1) the rate of interest in effect for such day as publicly announced by BofA as its "prime rate", (2) the federal funds effective rate plus one half of one percent and (3) the Eurodollar rate referred to in (b) plus one percent or (b) a Eurodollar rate determined as published by Reuters or, if such rate is not available, the rate shall be

the rate offered by BofA's London Branch to major banks in the London interbank Eurodollar market, in each case plus an applicable margin. The applicable margin for borrowings under the Credit Facility ranges from 0.375% to 1.500% with respect to base rate borrowings and ranges from 1.375% to 2.500% with respect to Eurodollar rate borrowings, which vary depending on the Total Consolidated Debt to Total Consolidated Capitalization Ratio of the Company (as such terms are defined in the Credit Agreement).

The Credit Agreement contains representations, warranties and affirmative and negative covenants customary for credit facilities of this nature, including limitations that restrict the Borrower's ability to incur indebtedness, incur or assume liens, change its fiscal year, engage in other lines of business or dissolve or liquidate its guarantors.

A copy of the Credit Agreement is filed as Exhibit 10.1 to our Form 8-K filed on August 17, 2011.

11. *Interests of Directors and Executive Officer; Transactions and Arrangements Concerning the Shares.* As of August 16, 2011, we had 7,958,589 issued and outstanding Shares. The 300,000 Shares that the Company is offering to purchase pursuant to the Offer represent approximately 3.8% of the Shares outstanding as of August 16, 2011.

On January 22, 2007, John J. and Dorothy M. Byrne irrevocably granted to Raymond Barrette a full proxy to vote certain Shares owned by them which, as of August 14, 2011, covered 687,117 Shares. The proxy expires on the earlier of (i) January 1, 2012 or (ii) the death of John Byrne. The proxy does not in any way restrict John and Dorothy Byrne's ability to sell any Shares and any Shares sold by them will no longer be subject to the proxy. The grant of the irrevocable proxy does not apply to Shares owned by certain trusts and charitable foundations in which Mr. Byrne has no pecuniary interest.

As of August 16, 2011, our directors and executive officers as a group (18 persons) beneficially owned an aggregate of approximately 1,064,690 Shares (including Shares that are subject to the proxy described above), representing approximately 13.4% of the total number of outstanding Shares. All of our Directors and executive officers have advised us that they do not intend to tender any of their Shares in the Offer. Accordingly, assuming we purchase 300,000 Shares in the Offer, the proportional holdings of our directors and executive officers will increase to approximately 13.9%. However, our directors and executive officers may, in compliance with applicable law, sell their Shares in open market transactions at prices that may or may not be more favorable than the Purchase Price to be paid to our shareholders in the Offer.

Schedule I provides information with respect to the beneficial ownership of our Common Shares by (i) each of our directors, (ii) each of our executive officers and (iii) all directors and executive officers as a group. We based the share amounts on each person's beneficial ownership of our Common Shares as of August 16, 2011.

Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of Shares beneficially owned by a person and the percentage ownership of that person, Shares subject to options held by that person that are currently exercisable or exercisable within 60 days of the date of this Offer to Purchase. These Shares, however, are not deemed outstanding for purposes of computing percentage ownership of each other shareholder.

Based on our records and on information provided to us by our directors, executive officers, affiliates and subsidiaries, neither we nor our directors, executive officers, affiliates or subsidiaries have effected any transactions in the Shares during the 60 days prior to the date hereof, except as follows:

- On June 30, 2011, Raymond Barrette, J. Brian Palmer and Robert Seelig acquired 1.672, 1.977 and 3.707 Shares, respectively, through a regular purchase in the OneBeacon 401(k) Savings and Employee Stock Ownership Plan, at a price of \$420.16 per Share;
- On July 13, 2011, Raymond Barrette purchased forty Shares from a non-dependent family member at a price of \$425 per share;

- On July 14, 2011, Raymond Barrette, J. Brian Palmer and Robert Seelig acquired 1.536, 1.995 and 3.213 Shares, respectively, through a regular purchase in the OneBeacon 401(k) Savings and Employee Stock Ownership Plan, at a price of \$416.52 per Share;
- On July 28, 2011, Raymond Barrette, J. Brian Palmer and Robert Seelig acquired .560, 1.973 and 3.178 Shares, respectively, through a regular purchase in the OneBeacon 401(k) Savings and Employee Stock Ownership Plan, at a price of \$421.12 per Share; and
- On August 11, 2011, J. Brian Palmer and Robert Seelig acquired 2.020 and 2.245 Shares, respectively, through a regular purchase in the OneBeacon 401(k) Savings and Employee Stock Ownership Plan, at a price of \$411.25 per Share.

Mr. Barrette currently owns 125,000 outstanding options. Mr. Barrette may exercise these options at a strike price of \$742 per share.

We generally have structured our long-term incentive compensation as performance shares, restricted shares or performance units. At our parent company, long-term incentive compensation is typically in the form of Company performance shares and restricted shares, which reward company-wide performance. The number of performance shares earned, which can be from 0% to 200% of the target number granted, is tied to our after-tax annual growth in intrinsic business value per share (as defined by the compensation committee of the Board (the "Compensation Committee")) over the performance cycle. Earned performance shares are typically paid in cash, but may be paid in Shares at the discretion of the Compensation Committee. Performance shares, restricted shares and/or performance units are typically granted annually, and performance is tied to a three-year period.

We have no long-term employment agreements with our executive officers although, from time to time, we have entered into short-term arrangements with newly hired executives governing their compensation and severance during up to their first three years with the Company. No such arrangements are currently in effect with our executive officers.

If any of our most senior executives were to retire, we generally will consider entering into a one to three year consulting agreement with the executive, which would permit the executive to earn some or all of such executive's long-term incentive compensation then outstanding.

We have no standalone change in control agreements with our executive officers. However, under our long-term incentive plans, if a change in control of the Company (or a business unit, as applicable) were to occur, certain events, such as involuntary or constructive employment termination or amendments to our incentive plans which are materially adverse to its participants, may cause stock options to become fully exercisable, restricted shares to become immediately vested and performance shares and performance units to become payable in full or in part. Our long-term incentive compensation plans do not provide for tax gross-ups for excess parachute payments that may result from a change in control.

The Plans are tax-qualified retirement plan under Section 401(a) of the Code. The Plans each contain cash deferred arrangement under Section 401(k) of the Code. Participants in each Plan may direct the trustee of such Plan to invest funds in any investment option available under such Plan. The Plans provide employees with a menu of investment options, including Shares.

12. Certain Legal Matters. The Company is not aware of any license or regulatory permit that appears to be material to its business that might be adversely affected by its acquisition of Shares as contemplated in the Offer or of any approval or other action by any government or governmental, administrative or regulatory authority or agency, domestic or foreign, that would be required for the Company's acquisition or ownership of Shares pursuant to the Offer. Should any such approval or other action be required, the Company currently contemplates that it will seek such approval or other action. The Company cannot predict whether it may determine that it is required to delay the

acceptance for payment of Shares tendered pursuant to the Offer pending the outcome of any such matter. There can be no assurance that any such approval or other action, if needed, would be obtained or would be obtained without substantial conditions or that the failure to obtain any such approval or other action might not result in adverse consequences to the Company's business. The Company intends to make all required filings under the Exchange Act.

As of the date of this Offer to Purchase, there are no material legal proceedings relating to the Offer.

The Company's obligation under the Offer to accept Shares for payment is subject to certain conditions. See "Section 8. Conditions to the Offer".

13. Effects of the Offer on the Market for Shares; Registration under the Exchange Act. The purchase by the Company of Shares under the Offer will reduce our "public float" (the number of Shares owned by non-affiliate shareholders and available for trading in the securities markets). This reduction in our public float may result in lower stock prices and/or reduced liquidity in the trading market for the Shares following completion of the Offer. In addition, the Offer may reduce the number of White Mountains shareholders. As of August 16, 2011, we had issued and outstanding 7,958,589 Shares. Shareholders may be able to sell non-tendered Shares in the future on the NYSE or otherwise, at a net price higher or lower than the Purchase Price in the Offer. We can give no assurance, however, as to the price at which a shareholder may be able to sell such Shares in the future.

We anticipate that there will be a sufficient number of Shares outstanding and publicly traded following completion of the Offer to ensure a continued trading market for such Shares. Based upon published guidelines of the NYSE, we do not believe that our purchase of Shares under the Offer will cause the remaining outstanding Shares to be delisted from the NYSE.

The Shares are currently "margin securities" under the rules of the Federal Reserve Board. This classification has the effect, among other things, of allowing brokers to extend credit to their customers using the Shares as collateral. The Company believes that, following the purchase of Shares under the Offer, the Shares remaining outstanding will continue to be margin securities for purposes of the Federal Reserve Board's margin rules and regulations.

The Shares are registered under the Exchange Act, which requires, among other things, that we furnish certain information to our shareholders and the SEC and comply with the SEC's proxy rules in connection with meetings of our shareholders. We believe that our purchase of Shares under the Offer will not result in the Shares becoming eligible for deregistration under the Exchange Act.

14. Extension of the Offer; Termination; Amendment. Subject to the terms and conditions of the Offer, the Company expressly reserves the right, in its sole discretion, at any time and from time to time, and regardless of whether or not any of the events set forth in "Section 8. Conditions to the Offer" shall have occurred or shall be deemed by the Company to have occurred, to extend the period of time during which the Offer is open and thereby delay acceptance for payment of any Shares by giving oral or written notice of such extension to the Depositary and making a public announcement thereof. During any such extension, all Shares previously tendered and not purchased or withdrawn will remain subject to the Offer, except to the extent that such Shares may be withdrawn as set forth in "Section 3. Withdrawal Rights".

The Company also expressly reserves the right, in its sole discretion, to withdraw or terminate the Offer and not accept for payment or pay for any Shares not theretofore accepted for payment or paid for or, subject to applicable law, to postpone payment for Shares upon the occurrence of any of the conditions specified in Section 8 by giving oral or written notice of the termination or postponement to the Depositary and making a public announcement of the termination or postponement. Additionally, the Company expressly reserves the right, subject to applicable law, to postpone payment for Shares under circumstances including but not limited to the occurrence of any of the conditions specified in

"Section 8. Conditions to the Offer" by notifying the Depositary and making a public announcement thereof. However, the ability of the Company to delay the payment for Shares which the Company has accepted for payment is limited by Rule 13e-4(f)(5) under the Securities Exchange Act of 1934, as amended, which requires that bidder pay the consideration offered or return the securities deposited by, or on behalf of, holders of securities promptly after the termination or withdrawal of the Offer.

If the Company is delayed in its payment for the Shares or is unable to pay for the Shares pursuant to the Offer for any reason, then, without prejudice to the Company's rights under the Offer, the Depositary may retain tendered Shares on behalf of the Company, and such Shares may not be withdrawn except to the extent tendering shareholders are entitled to withdrawal rights as described in "Section 3. Withdrawal Rights".

Subject to compliance with applicable law, the Company further reserves the right, in its sole discretion, and regardless of whether or not any of the events set forth in "Section 8. Conditions to the Offer" shall have occurred or shall be deemed by the Company to have occurred, to amend the Offer in any respect (including by decreasing or increasing the consideration offered in the Offer or by increasing or decreasing the number of Shares being sought in the Offer). Amendments to the Offer may be made at any time, effected by public announcement thereof. Such announcement, in the case of an extension, is to be issued no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date. Any disclosure of a material change in the information published, sent or given to shareholders will be disseminated promptly to shareholders in a manner reasonably calculated to inform shareholders of such change to the extent required by Rules 13e-4(d)(2) and 13e-4(e)(3) promulgated under the Exchange Act. Without limiting the manner in which the Company may choose to make a public announcement pursuant to or concerning the Offer, except as required by applicable law, the Company shall have no obligation to publish, advertise or otherwise communicate any such public announcement other than by making a release to the Wall Street Journal, the New York Times or another comparable service.

If the Company makes a material change in the terms of the Offer or the information concerning the Offer, or if it waives a material condition of the Offer, the Company will extend the Offer to the extent required by Rules 13e-4(e)(3) and 13e-4(f)(1) under the Exchange Act. If we make any change to the purchase price range at which we are offering to purchase Shares in the Offer, decrease the number of Shares purchasable in the Offer or increase the number of Shares purchasable in the Offer by more than 2% of our outstanding Shares, the Offer must remain open a minimum of ten business days from and including the date such change is first published, sent or given to shareholders in the manner specified in this Section 14. The minimum period during which the Offer must remain open following material changes in the terms of the Offer or information concerning the Offer, other than a change in price or change in percentage of Shares sought, will depend upon the facts and circumstances then existing, including the relative materiality of the changed terms or information. In a public release, the SEC has stated its views that an offer must remain open for a minimum period of time following a material change in the terms of the Offer and that waiver of a material condition is a material change in the terms of the Offer. The release states that an offer should remain open for a minimum of five business days from the date a material change is first published or sent or given to security holders and that, if material changes are made with respect to information not materially less significant than the offer price and the number of Shares being sought, a minimum of 10 business days may be required to allow for adequate dissemination to shareholders and investor response. For purposes of the Offer, a "business day" means any day other than a Saturday, Sunday or United States Federal holiday and consists of the time period from 12:01 a.m. through 12:00 midnight, New York City time. The requirements to extend the Offer do not apply to the extent that the number of business days remaining between the occurrence of the change and the then-scheduled Expiration Date equals or exceeds the minimum extension period that would be required because of such amendment.

15. Fees and Expenses. Except as set forth below, the Company will not pay any fees or commissions to any broker, dealer or other person for soliciting tenders of Shares pursuant to the Offer.

We have retained Barclays Capital to act as the Lead Dealer Manager and Merrill Lynch, Pierce, Fenner & Smith Incorporated ("BofA Merrill Lynch") and HSBC Securities (USA) Inc. ("HSBC") to act as Co-Dealer Managers in connection with the Offer. In its role as Lead Dealer Manager, Barclays Capital may contact brokers, dealers and similar entities and may provide information regarding the Offer to those that it contacts or persons that contact it. Barclays Capital, BofA Merrill Lynch and HSBC will receive reasonable and customary compensation for their services in connection with the Offer. The Company has agreed to indemnify Barclays Capital, BofA Merrill Lynch and HSBC against certain liabilities which could occur in connection with the Offer, including certain liabilities under the Federal securities laws. Barclays Capital, BofA Merrill Lynch and HSBC may provide various investment banking and other services to us in the future, for which services they would expect to receive customary compensation from us. Additionally, in the ordinary course of business, including in its trading and brokerage operations and in a fiduciary capacity, Barclays Capital, BofA Merrill Lynch and HSBC and their affiliates may hold positions, both long and short, for their own accounts and for those of their customers, in our securities.

We have also retained D.F. King & Co., Inc. to act as Information Agent in connection with the Offer. The Information Agent will assist shareholders who request assistance in connection with the Offer and may request brokers, dealers and other nominee shareholders to forward material relating to the Offer to beneficial owners for which they act as nominees. D.F. King & Co., Inc. will receive reasonable and customary compensation for its services in connection with the Offer and will be reimbursed for reasonable expenses, including the reasonable fees and expenses of counsel. The Company has agreed to indemnify D.F. King & Co., Inc. against certain liabilities which could occur in connection with the Offer, including certain liabilities under the Federal securities laws. D.F. King & Co., Inc. has not been retained and is not authorized to make solicitations or recommendations in connection with the Offer in its role as Information Agent.

We have also retained Computershare to act as Depositary in connection with the Offer. Computershare, in its capacity as Depositary, will receive reasonable and customary compensation for its services in connection with the Offer and will be reimbursed by us for reasonable expenses, including reasonable fees and expenses of counsel. The Company has agreed to indemnify Computershare against certain liabilities which could occur in connection with the Offer, including liabilities under the Federal Securities Laws.

The Company will not pay any fees or commissions to any broker, dealer, commercial bank, trust company or other person (other than fees to the Lead Dealer Manager, the Co-Dealer Managers, the Information Agent and Depositary), for soliciting Shares pursuant to the Offer. The Company will, however, on request, reimburse such persons for customary handling and mailing expenses incurred in forwarding materials in respect of the Offer to the beneficial owners for which they act as nominees. No broker, dealer, commercial bank or trust company has been authorized to act as an agent for the Company, the Lead Dealer Manager, the Co-Dealer Managers, the Information Agent or the Depositary for the purpose of the Offer. The Company will not pay (or cause to be paid) any share transfer taxes on its purchase of Shares pursuant to the Offer, except as otherwise provided in Instruction 6 of the Letter of Transmittal.

Certain officers and employees of the Company may render services in connection with the Offer, but they will not receive any additional compensation for such services.

16. Miscellaneous. The Offer is being made to all holders of Shares. The Company is not aware of any jurisdiction where the making of the Offer is prohibited by administrative or judicial action pursuant to any valid state statute. If the Company becomes aware of any valid state statute prohibiting

the making of the Offer or the acceptance of Shares pursuant thereto, the Company will make a good faith effort to comply with any such state statute or seek to have such statute declared inapplicable to the Offer. If, after such good faith effort, the Company cannot comply with any such state statute, the Offer will not be made to (nor will tenders be accepted from or on behalf of) the holders of Shares in such state. In any jurisdiction where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer, the Offer will be deemed to be made on behalf of the Company by one or more registered brokers or dealers licensed under the laws of such jurisdiction.

OUR BOARD OF DIRECTORS HAS APPROVED THE OFFER. HOWEVER, NONE OF THE COMPANY, OUR BOARD OF DIRECTORS, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER ANY SHAREHOLDER SHOULD TENDER SHARES PURSUANT TO THE OFFER, OR AS TO THE PRICE(S) AT WHICH A SHAREHOLDER MAY CHOOSE TO TENDER. EACH SHAREHOLDER MUST MAKE HIS OR HER OWN DECISION AFTER CONSULTING WITH HIS OR HER OWN ADVISORS WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER AND THE PRICE(S) AT WHICH SUCH SHAREHOLDER WILL TENDER THEM. IN DOING SO, SHAREHOLDERS SHOULD READ CAREFULLY THE INFORMATION IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING THE PURPOSES AND EFFECTS OF THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER". YOU SHOULD READ CAREFULLY THE INFORMATION SET FORTH OR INCORPORATED BY REFERENCE IN THIS OFFER TO PURCHASE OR IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING OUR REASONS FOR MAKING THE OFFER. SEE "SECTION 5. PURPOSE OF THE OFFER; CERTAIN EFFECTS OF THE OFFER".

NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS IN CONNECTION WITH THE OFFER OTHER THAN THOSE CONTAINED IN THIS OFFER TO PURCHASE OR IN THE LETTER OF TRANSMITTAL. IF MADE OR GIVEN, SUCH RECOMMENDATION AND SUCH INFORMATION AND REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY, OUR BOARD OF DIRECTORS, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT.

The Company has filed with the SEC a Tender Offer Statement on Schedule TO, together with all exhibits thereto, pursuant to Rule 13e-4 under the Exchange Act, furnishing certain additional information with respect to the Offer. ODD LOTS
(See Instruction 8)

As described in Section 1 of the Offer to Purchase, under certain conditions, a shareholder owning beneficially or of record an aggregate of fewer than 100 Shares and who tenders all such Shares and satisfies the other requirements set forth in the Offer to Purchase, may have his or her Shares accepted for payment before any proration of other tendered Shares. This preference is not available to partial tenders, or to beneficial or record holders of an aggregate of 100 or more Shares, even if these holders have separate accounts representing fewer than 100 Shares. Accordingly, this section is to be completed only if Shares are being tendered by or on behalf of a person owning, beneficially or of record, an aggregate of fewer than 100 Shares. The undersigned either (check one box):

- owns, whether beneficially or of record, an aggregate of fewer than 100 Shares and is tendering all such Shares; or
- is a broker, dealer, commercial bank, trust company, or other nominee that (a) is tendering for the beneficial owner(s), Shares with respect to which it is the record holder, and (b) believes, based upon representations made to it by the beneficial owner(s), that each such person is the beneficial owner of an aggregate of fewer than 100 Shares and is tendering all such Shares.

In addition, the undersigned is tendering all such Shares either (check one box):

- at the Purchase Price, as the same will be determined by the Company in accordance with the terms of the Offer (persons checking this box should not check any box in the section captioned "Price (in Dollars) per Share at which Shares are Being Tendered"); or
- at the price per Share indicated above in the section captioned "Price (in Dollars) per Share at which Shares are Being Tendered."

PLEASE READ THE ACCOMPANYING INSTRUCTIONS CAREFULLY**

Ladies and Gentlemen:

The undersigned hereby tenders to White Mountains Insurance Group, Ltd., a company organized under the laws of Bermuda (the "Company"), the above-described Common Shares, par value \$1.00 per share, of the Company (the "Shares"), at the price indicated in this Letter of Transmittal, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase dated August 18, 2011 (the "Offer to Purchase"), receipt of which is hereby acknowledged, and in this Letter of Transmittal (which together, as they may be amended or supplemented from time to time, constitute the "Offer").

Subject to, and effective upon, acceptance for payment for the Shares tendered herewith in accordance with the terms of the Offer (including, if the Offer is extended or amended, the terms or conditions of any such extension or amendment), the undersigned hereby sells, assigns and transfers to or upon the order of the Company all right, title and interest in and to all the Shares tendered hereby, or orders the registration of such Shares delivered by book-entry transfer, that are purchased pursuant to the Offer and hereby irrevocably constitutes and appoints the Depository for the Offer, Computershare Trust Company, N.A. (the "Depository"), the true and lawful agent and attorney-in-fact of the undersigned with respect to such Shares, with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to:

- (a) deliver certificates for such Shares, or transfer ownership of such Shares on the account books maintained by The Depository Trust Company ("DTC"), together, in any such case, with all accompanying evidence of transfer and authenticity, to or upon the order of the Company, upon receipt by the Depository, as the undersigned's agent, of the Purchase Price (as defined below) with respect to such Shares;
- (b) present certificates for such Shares for cancellation and transfer of such Shares on the Company's books; and
- (c) receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares, all in accordance with the terms of the Offer.

The undersigned hereby represents and warrants that:

- (a) the undersigned has full power and authority to tender, sell, assign and transfer the Shares tendered and that, when the same are accepted for payment by the Company, the Company will acquire good, marketable and unencumbered title thereto, free and clear of all security interests, liens, restrictions, claims, charges, encumbrances and other obligations relating to the sale or transfer of the Shares;
- (b) the undersigned will, on request by the Depository or the Company, execute and deliver any additional documents deemed by the Depository or the Company to be necessary or desirable to complete the sale, assignment and transfer of the Shares tendered, all in accordance with the terms of the Offer;
- (c) the undersigned understands that tendering Shares pursuant to any one of the procedures described in Section 2 in the Offer to Purchase and in the instructions hereto will constitute the undersigned's acceptance of the terms and conditions of the Offer, including the undersigned's representation and warranty that: (i) the undersigned has a "net long position" in Shares at least equal to the Shares tendered within the meaning of Rule 14e-4 under the Securities Exchange Act of 1934 (as amended, the "Exchange Act") and (ii) such tender of Shares with Rule 14e-4 under the Exchange Act.

VOLUNTARY CORPORATE ACTIONS COY: WTM

The undersigned understands that the purchase price will be the lowest price per Share (in multiples of \$1.00) not less than \$385 (such price per Share or such other price that may be set forth in an amendment to the Offer referred to as the "Purchase Price") selected by the Company that will allow the Company to purchase 300,000 Shares or, if a lesser number is properly tendered, all Shares that are properly tendered and not properly withdrawn, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions of the Offer, including the proration provisions thereof, and that the Company will promptly return all other Shares, including Shares not purchased because of proration.

The undersigned understands that tenders of Shares pursuant to any one of the procedures described in Section 2 of the Offer to Purchase and in the instructions hereto will constitute a binding agreement between the undersigned and the Company upon the terms and subject to the conditions of the Offer.

The undersigned recognizes that, under certain circumstances set forth in the Offer to Purchase, the Company may terminate or amend the Offer or may not be required to accept for payment any of the Shares tendered herewith or may accept for payment, fewer than all the Shares tendered herewith in accordance with the priority and proration provisions described in Section 1 of the Offer to Purchase.

All authority conferred or agreed to be conferred in this Letter of Transmittal shall survive the death or incapacity of the undersigned, and any obligation of the undersigned hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Except as stated in the Offer, this tender is irrevocable.

Unless otherwise indicated under "Special Payment Instructions", please issue the check for the aggregate Purchase Price and/or return or issue the certificate(s) evidencing any Shares not tendered or not accepted for payment in the name(s) of the registered holder(s) appearing under "Description of Shares Tendered". Similarly, unless otherwise indicated under "Special Delivery Instructions", please mail the check for the aggregate Purchase Price and/or the certificate(s) evidencing any Shares not tendered or not accepted for payment (and accompanying documents, as appropriate) to the address(es) of the registered holder(s) appearing under "Description of Shares Tendered". In the case of book-entry delivery of Shares, please credit the account maintained at DTC with any Shares not accepted for payment. The undersigned recognizes that the Company has no obligation pursuant to the "Special Payment Instructions" to transfer any Shares from the name(s) of the registered holder(s) thereof if the Company does not accept for payment any of the Shares so tendered.

IMPORTANT TAX INFORMATION

Under U.S. Federal income tax law, a shareholder whose tendered Shares are accepted for payment is required by law to provide the Depository with such shareholder's correct taxpayer identification number ("TIN") on the Substitute Form W-9 below. If the Depository is not provided with the correct TIN, the Internal Revenue Service ("IRS") may subject the shareholder or other payee to a \$50 penalty. In addition, payments that are made to such shareholder or other payee with respect to Shares purchased pursuant to the Offer may be subject to 28% backup withholding.

Certain shareholders (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements and should indicate their status by writing "exempt" across the face of the Substitute Form W-9. In order for a foreign individual to qualify as an exempt recipient, the shareholder must submit a Form W-8BEN or other applicable form, signed under penalties of perjury, attesting to that individual's exempt status. A Form W-8BEN can be obtained from the Depository. See the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for more instructions.

If backup withholding applies, the Depository is required to withhold 28% of any such payments to be made to the shareholder or other payee. Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If backup withholding results in an overpayment of taxes, a refund may be obtained from the IRS, provided that the required information is timely given to the IRS.

The box in Part 3 of the Substitute Form W-9 may be checked if the tendering shareholder has not been issued a TIN and has applied for a TIN or intends to apply for a TIN in the near future. If the box in Part 3 is checked, the shareholder or other payee must also complete the Certificate of Awaiting Taxpayer Identification Number below in order to avoid backup withholding. Notwithstanding that the box in Part 3 is checked and the Certificate of Awaiting Taxpayer Identification Number is completed, the Depository will withhold 28% on all payments made prior to the time a properly certified TIN is provided to the Depository.

The shareholder is required to give the Depository the TIN (e.g., social security number or employer identification number) of the record owner of the Shares or of the last transferee appearing on the transfers attached to, or endorsed on, the certificates evidencing the Shares. If the Shares are registered in more than one name or are not registered in the name of the actual owner, consult the enclosed "Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9" for additional guidance on which number to report.

Resident Alien Individuals: If you are a resident alien individual and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to Obtain a TIN* below.

If you don't have a taxpayer identification number or you don't know your number, obtain Form SS-5, Application for a Social Security Number Card, or Form SS-4, Application for Employer Identification Number, at the local office of the Social Security Administration or the Internal Revenue Service ("IRS") and apply for a number. Resident alien individuals who are not eligible to get an SSN and need an ITIN should obtain Form W-7, Application for Individual Taxpayer Identification Number, from the IRS. You may obtain Form SS-4 and Form W-7 from the IRS's website at <http://www.irs.gov>.

Payees Exempt from Backup Withholding

Payees exempt from backup withholding on all payments include the following:

- A state, the District of Columbia, a possession of the United States or any of their political subdivisions or instrumentalities.
- A foreign government or any of its political subdivisions, agencies or instrumentalities.
- An international organization or any of its agencies or instrumentalities.

Other payees that **may be exempt** from backup withholding include:

VOLUNTARY CORPORATE ACTIONS COY: WTM

Payments of interest not generally subject to backup withholding include the following:

- Payments of interest on obligations issued by individuals. **Note:** You may be subject to backup withholding if this interest is \$600 or more and is paid in the course of the payer's trade of business and you have not provided your correct taxpayer identification number to the payer.
- Payments described in section 6049(b)(5) to nonresident aliens.
- Payments on tax-free covenant bonds under section 1451.
- Payments made by certain foreign organizations.

Exempt payees described above should file Substitute Form W-9 to avoid possible erroneous backup withholding. FURNISH YOUR TAXPAYER IDENTIFICATION NUMBER, WRITE "EXEMPT" ON THE FACE OF THE FORM IN PART II, SIGN AND DATE THE FORM, AND RETURN IT TO THE PAYER.

Certain payments, other than interest, dividends and patronage dividends that are not subject to information reporting are also not subject to backup withholding. For details, see the regulations under sections 6041, 6041A(a), 6045 and 6050A.

Privacy Act Notice.—Section 6109 requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payers who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. Payers must be given the numbers whether or not recipients are required to file tax returns. Payers must generally withhold 28% (or such other rate specified by the Internal Revenue Code) of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

Penalties

1. **Penalty for Failure to Furnish Taxpayer Identification Number.**—If you fail to furnish your correct taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

2. **Civil Penalty for False Information With Respect to Withholding.**—If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.

3. **Criminal Penalty for Falsifying Information.**—Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

INSTRUCTIONS
Forming Part of the Terms and Conditions of the Offer

1. **Guarantee of Signatures.** Signatures on this Letter of Transmittal must be guaranteed by a firm which is a member of the Securities Transfer Agent Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchange Medallion Program (each, an "Eligible Institution"), except in cases where Shares are tendered (i) by a registered holder (which term, for purposes of this Letter of Transmittal, will include any participant in DTC whose name appears on a security position listing as the owner of the Shares) of Shares who has not completed either the box entitled "Special Payment Instructions" or the box entitled "Special Delivery Instructions" on this Letter of Transmittal or (ii) for the account of an Eligible Institution. Shareholders may also need to have any certificates they deliver endorsed or accompanied by a stock power, and the signatures on these documents also may need to be guaranteed. See Instruction 5.

2. **Delivery of Letter of Transmittal and Shares; Guaranteed Delivery Procedures.** This Letter of Transmittal is to be used only if (a) certificates are to be forwarded with it to the Depository or (b) delivery of Shares is to be made by book-entry transfer pursuant to the procedure set forth in Section 2 of the Offer to Purchase. Certificates for all physically delivered Shares, or a confirmation of a book-entry transfer of all Shares delivered electronically into the Depository's account at DTC, together in each case with a properly completed and duly executed Letter of Transmittal, with any required signature guarantees, and any other documents required by this Letter of Transmittal, must be received by the Depository at one of its addresses set forth on the front page of this Letter of Transmittal before the Expiration Date (as defined in the Offer to Purchase). Delivery of documents to DTC does not constitute delivery to the Depository.

Shareholders whose certificates are not immediately available (or who cannot follow the procedures for book-entry transfer on a timely basis) or who cannot transmit this Letter of Transmittal and all other required documents to reach the Depository before the Expiration Date, may nevertheless tender their Shares pursuant to the guaranteed delivery procedure set forth in Section 2 of the Offer to Purchase. Pursuant to such procedure: (a) such tender must be made by or through an Eligible Institution, (b) the Depository must receive by mail, express or overnight delivery, before the Expiration Date, a properly completed and duly executed Notice of Guaranteed Delivery substantially in the form the Company has provided with the Offer to Purchase and (c) the certificates for all tendered Shares in proper form for transfer (or confirmation of a book-entry transfer of all such Shares into the Depository's account at DTC), together with a properly completed and duly executed Letter of Transmittal and any other documents required by this Letter of Transmittal, must be received by the Depository within three New York Stock Exchange trading days after the date of execution of such Notice of Guaranteed Delivery, all as provided in Section 2 of the Offer to Purchase.

The method of delivery of all documents, including share certificates, this Letter of Transmittal and any other required documents, is at the election and risk of the tendering shareholder. Shares will be deemed delivered only when actually received by the Depository (including, in the case of a book-entry transfer, by book-entry confirmation). If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. In all cases, sufficient time should be allowed to ensure timely delivery to the Depository prior to the Expiration Date.

No alternative, conditional or contingent tenders will be accepted, and no fractional Shares will be purchased. By executing this Letter of Transmittal, each tendering shareholder waives any right to receive any notice of the acceptance of such shareholder's tender.

3. **Inadequate Space.** If the space provided in the box entitled "Description of Shares Tendered" is inadequate, the certificate numbers and/or the number of Shares should be listed on a separate signed schedule and attached to this Letter of Transmittal.

VOLUNTARY CORPORATE ACTIONS COY: WTM

4. **Partial Tenders and Unpurchased Shares.** (Not applicable to shareholders who deliver Shares by book-entry transfer). If fewer than all the Shares evidenced by any certificate delivered to the Depository are to be tendered, fill in the number of Shares that are to be tendered in the box entitled "Number of Shares Tendered". If such Shares are purchased, a new certificate for the remainder of the Shares evidenced by the old certificate(s) will be sent to and in the name of the registered holder(s) (unless otherwise specified by such holder(s) having completed either of the boxes entitled "Special Delivery Instructions" or "Special Payment Instructions" on this Letter of Transmittal) promptly following the expiration or termination of the Offer. All Shares represented by the certificate(s) listed and delivered to the Depository will be deemed to have been tendered unless otherwise indicated.

5. **Signatures on Letter of Transmittal; Share Powers; and Endorsements.**

(a) If this Letter of Transmittal is signed by the registered holder(s) of the Shares tendered herewith, the signature(s) must correspond exactly with the name(s) as written on the face of the certificates without any change whatsoever.

(b) If any of the Shares tendered herewith are registered in the names of two or more joint owners, each such owner must sign this Letter of Transmittal.

(c) If any of the Shares tendered herewith are registered in different names on different certificates, it will be necessary to complete, sign and submit as many separate Letters of Transmittal as there are different registrations of certificates.

(d) If this Letter of Transmittal is signed by the registered holder(s) of the Shares tendered herewith, no endorsements of certificates or separate share powers are required unless payment is to be made and/or certificates for Shares not tendered or not purchased are to be issued to a person other than the registered holder(s). If this Letter of Transmittal is signed by a person other than the registered holder(s) of the Shares tendered herewith, however, the certificates must be endorsed or accompanied by appropriate share powers, in either case, signed exactly as the name(s) of the registered holder(s) appear on the certificates for such Shares. Signatures on any such certificates or share powers must be guaranteed by an Eligible Institution. See Instruction 1.

(e) If this Letter of Transmittal or any certificates or share powers are signed by a trustee, executor, administrator, guardian, attorney-in-fact, agent, officer of a corporation or other person acting in a fiduciary or representative capacity, such person should so indicate when signing and proper evidence satisfactory to the Company of the authority of such person so to act must be submitted.

6. **Share Transfer Taxes.** The Company will pay any share transfer taxes with respect to the transfer and sale of Shares to it or its order pursuant to the Offer. If, however, payment of the aggregate Purchase Price is to be made to, or certificates for Shares not tendered or accepted for purchase are to be registered in the name of, any person other than the registered holder, or if tendered certificates are registered in the name of any person other than the person(s) signing this Letter of Transmittal, the amount of any share transfer taxes (whether imposed on the registered holder or such person) payable on account of the transfer to such person will be deducted from the aggregate purchase price unless satisfactory evidence of payment of such taxes or exemption therefrom is submitted.

7. **Indication of Price at which Shares are Being Tendered.** If you want to tender your Shares you must properly complete the pricing section of this Letter of Transmittal, which is called "Price per Share at which Shares are Being Tendered". You must check either the box under "1. Shares Tendered at a Price Determined Pursuant to the Offer" or the box under "2. Shares Tendered at a Price Determined by the Shareholder". If both of such boxes are checked, or if neither of such boxes is checked, there is no valid tender of Shares. If you check the box under "2. Shares Tendered at a Price Determined by the Shareholder", you must additionally check one box in the section captioned "Price

VOLUNTARY CORPORATE ACTIONS COY: WTM

(in Dollars) per Share at which Shares are Being Tendered." corresponding to the price at which you want to tender your Shares; if more than one of such boxes is checked or if none of such boxes is checked, there is no valid tender of Shares. If you want to tender portions of your Shares at more than one price, you must complete a separate Letter of Transmittal for each price at which you tender Shares. However, the same Shares cannot be tendered at more than one price, unless such Shares were previously withdrawn as provided in Section 3 of the Offer to Purchase. By checking the box under "1. Shares Tendered at a Price Determined Pursuant to the Offer" instead of the box under "2. Shares Tendered at a Price Determined by the Shareholder", you are tendering Shares and are willing to accept the purchase price selected by the Company in accordance with the terms of the Offer. This action will maximize the chance of having the Company purchase your Shares (subject to the possibility of proration). **You should understand that checking box under "1. Shares Tendered at a Price Determined Pursuant to the Offer" may lower the purchase price paid for all purchased Shares in the Offer and could result in the tendered Shares being purchased at the minimum price of \$385.**

8. **Odd Lots.** As described in Sections 1 and 2 of the Offer to Purchase, if the number of Shares properly tendered at or below the Purchase Price and not withdrawn before the Expiration Date is greater than 300,000 (or such greater number of Shares as the Company may elect to purchase pursuant to the Offer), the Company, upon the terms and subject to the conditions of the Offer, will accept Shares for purchase first from all Shares properly tendered at or below the Purchase Price and not withdrawn before the Expiration Date by any shareholder who owns beneficially or of record an aggregate of fewer than 100 Shares and who tendered all Shares beneficially owned by such person (partial tenders of Shares will not qualify for this preference) and completed the box captioned "Odd Lots" in this Letter of Transmittal and, if applicable, on the Notice of Guaranteed Delivery. This preference will not be available unless the box above entitled "Odd Lots" is completed.

9. **Irregularities.** All questions as to the number of Shares to be accepted, the price to be paid for the Shares accepted and the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of Shares will be determined by the Company, in its sole discretion, which determination shall be final and binding on all parties. The Company reserves the absolute right to reject any or all tenders determined by it not to be in proper form or the acceptance for payment of which may, in the opinion of the Company's counsel, be unlawful. The Company also reserves the absolute right to waive any of the conditions of the Offer (except as provided in Section 8 of the Offer to Purchase) and any defect or irregularity in the tender of any particular Shares. The Company's interpretation of the terms and conditions of the Offer (including these instructions) shall be final and binding on all parties. No tender of Shares will be deemed properly made until all defects or irregularities have been cured or waived to the satisfaction of the Company. The Company will not be liable for failure to waive any condition of the Offer, or any defect or irregularity in any tender of Shares. None of the Company, the Depository, the Information Agent or any other person is or will be obligated to give notice of any defects or irregularities in tenders, and none of them will incur any liability for failure to give any such notice. The Company's interpretations of the terms of and conditions to the Offer, including this Letter of Transmittal and the instructions hereto, will be final and binding on all persons participating in the Offer.

10. **Special Payment and Delivery Instructions.** If the check for the aggregate Purchase Price of any Shares purchased is to be issued to, or any Shares not tendered or not purchased are to be returned in the name of, a person other than the person(s) signing this Letter of Transmittal or if the check or any certificates for Shares not tendered or not purchased are to be mailed to someone other than the person(s) signing this Letter of Transmittal or to the person(s) signing this Letter of Transmittal at an address other than that shown in the box entitled "Descriptions of Shares Tendered", the boxes entitled "Special Payment Instructions" and/or "Special Delivery Instructions" on this Letter of Transmittal should be completed.

VOLUNTARY CORPORATE ACTIONS COY: WTM

11. **Request for Assistance or Additional Copies.** Requests for assistance or additional copies of the Offer to Purchase, this Letter of Transmittal or the Notice of Guaranteed Delivery may be directed to the Information Agent at its addresses or telephone number set forth below.

12. **Substitute Form W-9.** Except as provided above under "Important Tax Information", each tendering shareholder is required to provide the Depository with a correct TIN on Substitute Form W-9 which is provided under "Important Tax Information" above. Failure to provide the information on the form may subject the tendering shareholder to a \$50 penalty and a 28% Federal backup withholding tax may be imposed on the payments made to the shareholder or other payee with respect to Shares purchased pursuant to the Offer.

13. **Non-U.S. Shareholder Withholding.** Non-U.S. shareholders should note that the 30% U.S. withholding tax generally applicable to distributions by U.S. corporations should not apply to the proceeds payable pursuant to the Offer (however, as indicated above under "Important Tax Information", U.S. Federal backup withholding tax may be applicable). Non-U.S. shareholders should not use Substitute Form W-9. Instead, non-U.S. shareholders must provide an appropriate form W-8 or suitable substitute.

14. **Lost, Destroyed or Stolen Certificates.** If any certificate(s) for part or all of your shares has been lost, stolen, destroyed or mutilated, you should contact Computershare Trust Company, N.A., as Depository for the Company, at (877) 373-6374 (toll free in the United States and Canada) or (781) 575-2879 (outside the United States and Canada) to arrange for replacement of lost securities. This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, stolen, destroyed or mutilated certificates have been followed and the tender is deemed by the Transfer Agent to be in proper form prior to the Expiration Date. You are urged to contact the Depository immediately if you wish to tender Shares that you are unable to locate or have been destroyed. If you do not contact the Depository promptly upon receipt of this Letter of Transmittal, you may not receive instructions for replacement in time to properly surrender your Shares for tender by the Expiration Date.

This action will maximize the chance of having the Company purchase all of the Shares tendered by the undersigned (subject to the possibility of proration). **You should understand that this election may lower the purchase price paid for all purchased Shares in the Offer and could result in the tendered Shares being purchased at the minimum price of \$385 per Share.**

By checking ONE of the boxes below INSTEAD OF THE BOX UNDER 1 ABOVE, the undersigned hereby tenders Shares at the price checked the corresponding box in the section below captioned "Price (in Dollars) per Share at which Shares are Being Tendered". This action could result in none of the Shares being purchased if the purchase price for the Shares is less than the price checked. As described in Section 1 of the Offer to Purchase, under certain conditions, a shareholder owning beneficially or of record an aggregate of fewer than 100 Shares and who tenders all such Shares and satisfies the other requirements set forth in the Offer to Purchase, may have his or her Shares accepted for payment before any proration of other tendered Shares. In addition, the undersigned is tendering all such Shares either (check one box):

- at the Purchase Price, as the same will be determined by the Company in accordance with the terms of the Offer (persons checking this box should not check any box in the section captioned "Price (in Dollars) per Share at which Shares are Being Tendered"); or
 - at the price per Share indicated above in the section captioned "Price (in Dollars) per Share at which Shares are Being Tendered".

by
WHITE MOUNTAINS INSURANCE GROUP, LTD.
of
UP TO 300,000 OF ITS COMMON SHARES
at a Purchase Price not greater than \$435
or less than \$385 per Share

THE OFFER, PRORATION PERIOD AND WITHDRAWAL RIGHTS WILL EXPIRE AT 12:00 MIDNIGHT, NEW YORK CITY TIME, ON SEPTEMBER 15, 2011, UNLESS THE OFFER IS EXTENDED (SUCH DATE AND TIME, AS THEY MAY BE EXTENDED, THE "EXPIRATION DATE").

August 18, 2011

To Brokers, Dealers, Commercial Banks, Trust Companies and Other Nominees:

We have been appointed by White Mountains Insurance Group, Ltd., a company organized under the laws of Bermuda (the "Company"), to act as Information Agent in connection with its offer to purchase up to 300,000 of its outstanding Common Shares, par value \$1.00 per share (the "Shares"), at a purchase price not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase dated August 18, 2011 (the "Offer to Purchase"), and in the related Letter of Transmittal (the "Letter of Transmittal" and, together with the Offer to Purchase, as they may be amended or supplemented from time to time, the "Offer"). The Company may elect, but is not obligated, to purchase additional Shares pursuant to the Offer. The Offer is not conditioned upon any minimum number of Shares being validly tendered.

The Company will determine a single per Share price, not greater than \$435 or less than \$385 per Share, that it will pay for the Shares properly tendered and not properly withdrawn pursuant to the Offer, taking into account the number of Shares so tendered and the prices specified by tendering shareholders. The Company will select the lowest purchase price (in multiples of \$1.00) that will allow it to purchase 300,000 Shares (or such lesser number as are properly tendered and not properly withdrawn) pursuant to the Offer. The Company will purchase all Shares validly tendered at prices at or below the purchase price and not withdrawn upon the terms and subject to the conditions set forth in the Offer to Purchase and the related Letter of Transmittal, including the provisions relating to "odd lot" tenders and proration described in the Offer to Purchase. All Shares so purchased by the Company will be purchased at the same price regardless of whether the shareholder tendered at a lower price. Shares tendered at prices in excess of the Purchase Price and Shares not purchased because of proration will be returned at the Company's expense to the shareholders who tendered such Shares promptly after the Expiration Date.

Please contact your clients for whom you hold Shares registered in your name (or in the name of your nominee) or who hold Shares registered in their own names. Please bring the Offer to their attention as promptly as possible. No fees or commissions (other than fees paid by the Company to the Information Agent, the Depositary, the Lead Dealer Merger and the Co-Dealer Mergers as described in the Offer to Purchase) will be payable to brokers, dealers or other persons for soliciting tenders of Shares pursuant to the Offer. The Company will, however, upon request, reimburse you for customary mailing and handling expenses incurred by you in forwarding any of the enclosed materials to your clients. No shareholders will be required to pay transfer taxes on the transfer to the Company of Shares purchased pursuant to the Offer, subject to Instruction 6 of the Letter of Transmittal.

For your information and for forwarding to your clients, we are enclosing the following documents:

- (1) Offer to Purchase;
- (2) Letter of Transmittal to be used by holders of Shares to tender Shares and for the information of your clients;
- (3) Letter from the Chairman and Chief Executive Officer of the Company, Raymond Barrette, to shareholders;
- (4) Form of Notice of Guaranteed Delivery to be used to accept the Offer and tender Shares pursuant to the Offer if the procedure for book-entry transfer cannot be completed by the Expiration Date or if all other required documents cannot be delivered to the Depositary by the Expiration Date;
- (5) Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9;
- (6) Letter that may be sent to your clients for whose accounts you hold Shares registered in your name (or in the name of your nominee), with space provided for obtaining such clients' instructions with regard to the Offer; and
- (7) Return envelope addressed to Computershare Trust Company, N.A., the Depositary.

Shareholders must make their own decision as to whether to tender their Shares and, if so, how many Shares to tender and at what price(s). Your clients should read carefully the information set forth or incorporated by reference in the Offer to Purchase and in the related Letter of Transmittal, including the Company's purpose for making the Offer.

Certain conditions to the Offer are described in Section 8 of the Offer to Purchase. To be valid, all tenders must be in proper form as described in Section 2 of the Offer to Purchase.

We urge you to contact your clients promptly. Please note that the Offer, the proration period and withdrawal rights will expire at 12:00 midnight, New York City time, on September 15, 2011, unless extended.

Under no circumstances will interest be paid on the purchase price of the Shares regardless of any extension of, or amendment to, the Offer or any delay in paying for such Shares.

None of the Company, our Board of Directors, the Lead Dealer Manager, the Co-Dealer Managers, the Depositary or the Information Agent makes any recommendation as to whether any shareholder should tender Shares pursuant to the Offer or as to the purchase price(s) at which a shareholder may choose to tender them. Each of your clients must make their own decision after consulting with his or her own advisors whether to tender their Shares and, if so, how many Shares to tender and the price(s) at which they will tender them. In doing so, your clients should read carefully the information in the Offer, including the purposes and effects of the Offer.

Additional copies of the enclosed material may be obtained from the undersigned. Any questions you may have with respect to the Offer should be directed to the undersigned at (212) 269-5550.

Very truly yours,

SEPTEMBER 15, 2011, UNLESS THE OFFER IS EXTENDED (SUCH DATE AND TIME, AS THEY MAY BE EXTENDED, THE
"EXPIRATION DATE").**

August 18, 2011

To Our Clients:

Enclosed for your consideration is the Offer to Purchase dated August 18, 2011, (the "Offer to Purchase") of White Mountains Insurance Group, Ltd., a company organized under the laws of Bermuda (the "Company"), and a related specimen Letter of Transmittal (the "Letter of Transmittal" and, together with the Offer to Purchase, as they may be amended or supplemented from time to time, the "Offer"), pursuant to which the Company is offering to purchase up to 300,000 of its outstanding Common Shares, par value \$1.00 per share (the "Shares"), at a purchase price not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer. The Company may elect, but shall not be obligated, to purchase additional Shares pursuant to the Offer. The Offer to Purchase and a specimen Letter of Transmittal are being forwarded to you as the beneficial owner of Shares held by us in your account but not registered in your name. **A tender of such Shares can be made only by us as the holder of record and only pursuant to your instructions.** All capitalized terms used and not defined herein shall have the meanings ascribed to such terms in the Offer to Purchase.

The Company will determine a single per Share price, not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, that it will pay for the Shares properly tendered and not properly withdrawn pursuant to the Offer, taking into account the number of Shares so tendered and the prices specified by tendering shareholders. The Company will select the lowest price not less than \$385 (in multiples of \$1.00) (such price per Share referred to as the "Purchase Price") within the price range specified above that will allow it to purchase 300,000 Shares (or such lesser number as are properly tendered and not properly withdrawn) pursuant to the Offer. The Company will purchase all Shares validly tendered at prices at or below the Purchase Price and not withdrawn upon the terms and subject to the conditions set forth in the Offer to Purchase and the related Letter of Transmittal, including the provisions relating to "odd lot" tenders and proration described in the Offer to Purchase. All Shares so purchased by the Company will be purchased at the same price regardless of whether the shareholder tendered at a lower price. The Company reserves the right, in its sole discretion, to purchase more than 300,000 Shares in the Offer, pursuant to the Offer and subject to applicable law. See Sections 1 and 14 of the Offer to Purchase. Shares tendered at prices in excess of the Purchase Price and Shares not purchased because of proration will be returned at the Company's expense to the shareholders who tendered such Shares promptly after the Expiration Date.

If the number of Shares validly tendered and not validly withdrawn before the Expiration Date is less than or equal to 300,000 Shares (or such greater number of Shares as the Company may elect to purchase pursuant to the Offer, subject to applicable law), the Company will, on the terms and subject to the conditions of the Offer, purchase at the purchase price selected by the Company all Shares so tendered.

If more than 300,000 Shares (or such greater number of Shares as the Company may elect to purchase pursuant to the Offer) are properly tendered and not properly withdrawn, the Company will purchase Shares in the following order of priority, upon the terms and subject to the conditions of the Offer:

- *First*, the Company will purchase all Odd Lots of less than 100 Shares at the Purchase Price from shareholders who properly tender all of their Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date; and
- *Second*, after purchasing all the Odd Lots that were properly tendered at or below the Purchase Price, the Company will purchase Shares at the Purchase Price from all other holders who properly tender Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date, on a pro rata basis, with appropriate adjustments to avoid purchases of fractional Shares, until the Company has acquired the number of Shares that the Company has offered to purchase.

Because of the "odd lot" priority and proration tender provisions described above, the Company may not purchase all Shares that you tender even if you tender them at or below the purchase price. See Section 1 of the Offer to Purchase.

WE ARE THE HOLDER OF RECORD OF SHARES HELD FOR YOUR ACCOUNT. A TENDER OF SUCH SHARES CAN BE MADE ONLY BY US AS THE HOLDER OF RECORD AND PURSUANT TO YOUR INSTRUCTIONS. THE LETTER OF TRANSMITTAL IS FURNISHED TO YOU FOR YOUR INFORMATION ONLY AND CANNOT BE USED BY YOU TO TENDER YOUR SHARES HELD BY US FOR YOUR ACCOUNT. WE REQUEST INSTRUCTION AS TO WHETHER YOU WISH US TO TENDER ANY OR ALL OF THE SHARES HELD BY US FOR YOUR ACCOUNT UPON THE TERMS AND SUBJECT TO THE CONDITIONS SET FORTH IN THE OFFER TO PURCHASE AND THE LETTER OF TRANSMITTAL.

Your attention is called to the following:

1. Shares may be tendered at a price not greater than \$435 or less than \$385 per Share or at the price determined pursuant to the Offer, as indicated in the attached instruction form, net to the seller in cash, less any applicable withholding taxes and without interest, and all shares will be purchased at the same price, regardless of whether a shareholder tendered at a lower price.
 2. You should consult with your broker or other financial or tax advisor on the possibility of designating the priority in which your shares will be purchased in the event of proration.
 3. The Offer is not conditioned upon any minimum number of Shares being validly tendered. However, the Offer is subject to other conditions, which you should read carefully. See Section 8 of the Offer to Purchase.
 4. Tendering shareholders will not be obligated to pay brokerage commissions or, subject to Instruction 6 of the Letter of Transmittal, transfer taxes on the purchase of Shares by the Company pursuant to the Offer.
 5. The Offer, proration period and withdrawal rights expire at 12:00 midnight, New York City time, on September 15, 2011, unless extended. Shares must be properly tendered by the Expiration Date to ensure that at least some of your Shares will be purchased if there is proration. Your instructions to us should be forwarded in ample time to permit us to submit a timely tender on your behalf.
 6. The Offer is for up to 300,000 Shares, constituting approximately 3.8% of the Company's outstanding Shares as of August 16, 2011.
 7. If you wish to tender portions of your Shares at different prices, you must complete a separate Instruction Form for each price at which you wish to tender each such portion of your Shares. We must submit separate Letters of Transmittal on your behalf for each price you designate.
-

8. If you are an Odd Lot Holder (as defined in the Offer to Purchase) and you instruct us to tender on your behalf all of the Shares that you own at or below the purchase price before the Expiration Time and check the box captioned "Odd Lots" on the attached instruction form, the Company, on the terms and subject to the conditions of the Offer, will accept all such Shares for purchase before proration, if any, of the purchase of other Shares properly tendered at or below the purchase price and not withdrawn before the Expiration Date.
9. None of the Company, our Board of Directors, the Lead Dealer Manager, the Co-Dealer Managers, the Depositary or the Information Agent makes any recommendation as to whether any shareholder should tender Shares pursuant to the Offer or as to the purchase price(s) at which a shareholder may choose to tender them. You must make your own decision after consulting with your own advisors as to whether to tender your Shares and, if so, how many Shares to tender and the price(s) at which you will tender your Shares. In doing so, you should read carefully the information in the Offer to Purchase and in the related Letter of Transmittal, including the Company's reasons for making the Offer. See "Section 5. Purpose of the Offer; Certain Effects of the Offer". The directors and executive officers of the Company have advised us that they do not intend to tender any Shares owned by them in the Offer.
10. The Offer is subject to the terms and conditions set forth in the Offer to Purchase, which you should read carefully.

If you wish to have us tender any or all of your Shares, please so instruct us by completing, executing, detaching and returning to us the attached Instruction Form. If you authorize us to tender your Shares, we will tender all your Shares unless you specify otherwise on the attached Instruction Form.

The method of delivery of this document is at the election and the risk of the tendering shareholders. If delivery is by mail, registered mail with return receipt requested, properly insured, is recommended. In all other cases, sufficient time should be allowed to ensure timely delivery.

YOUR PROMPT ACTION IS REQUESTED. YOUR INSTRUCTION FORM SHOULD BE FORWARDED TO US IN AMPLE TIME TO PERMIT US TO SUBMIT THE TENDER ON YOUR BEHALF BEFORE THE EXPIRATION OF THE OFFER. PLEASE NOTE THAT THE OFFER, PRORATION PERIOD AND WITHDRAWAL RIGHTS WILL EXPIRE AT 12:00 MIDNIGHT, NEW YORK CITY TIME, ON SEPTEMBER 15, 2011, UNLESS THE OFFER IS EXTENDED.

The Offer is being made solely pursuant to the Offer to Purchase and the related Letter of Transmittal and is being made to all holders of the Shares. The Offer is not being made to (nor will tenders be accepted from or on behalf of) holders of Shares residing in any jurisdiction in which the making of the Offer or the acceptance thereof would not be in compliance with the securities or Blue Sky laws of such jurisdiction.

The Offer is not being made to, nor will tenders be accepted from or on behalf of, holders of common shares of White Mountains Insurance Group, Ltd. in any jurisdiction in which the making or acceptance of offers to sell shares would not be in compliance with the laws of that jurisdiction. Notice of Offer to Purchase for Cash
by
White Mountains Insurance Group, Ltd.
of
Up to 300,000 of its Common Shares
at a Purchase Price not greater than \$435
or less than \$385 per Share

White Mountains Insurance Group, Ltd., a company organized under the laws of Bermuda (the "Company"), is inviting its shareholders to tender its Common Shares, par value \$1.00 per share (the "Shares"), to the Company, at a purchase price of not greater than \$435 or less than \$385 per Share, net to the seller in cash, less any applicable withholding taxes and without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase dated August 18, 2011 (as it may be amended or supplemented from time to time, the "Offer to Purchase"), and in the related Letter of Transmittal (the "Letter of Transmittal" which, together with the Offer to Purchase, as they may be amended or supplemented from time to time, constitute the "Offer"). The Company will select the lowest price per Share (in multiples of \$1.00) (the "Purchase Price") that will allow the Company to purchase 300,000 Shares or, if a lesser number is properly tendered, all Shares that are properly tendered and not properly withdrawn. All Shares acquired in the Offer will be acquired at the same price regardless of whether the shareholder tendered at a lower price. However, because of the proration and "odd lot" priority provisions described in the Offer to Purchase, fewer than all of the Shares tendered at or below the Purchase Price may be purchased if more than the number of Shares the Company seeks are properly tendered. Shares tendered but not purchased in the Offer will be returned to the tendering shareholders at the Company's expense promptly after the expiration of the Offer. The Company reserves the right, in its sole discretion, to purchase more than 300,000 Shares pursuant to the Offer subject to applicable law.

The Offer is being made to utilize a portion of the Company's undeployed capital and to provide shareholders with added liquidity.

**THE OFFER, PRORATION PERIOD AND WITHDRAWAL RIGHTS WILL EXPIRE AT 12:00 MIDNIGHT, NEW YORK CITY TIME, ON
SEPTEMBER 15, 2011, UNLESS THE OFFER IS EXTENDED.**

The Offer is not conditioned on any minimum number of Shares being tendered. However, the Offer is subject to certain conditions. See Section 8 of the Offer to Purchase.

The Company's Board of Directors (the "Board") has approved the Offer. However, none of the Company, our Board of Directors, the Lead Dealer Manager, the Co-Dealer Managers, the Depositary or the Information Agent makes any recommendation as to whether shareholders should tender Shares pursuant to the Offer, or as to the price(s) at which a shareholder may choose to tender. Each shareholder must make his or her own decision after consulting with his or her own advisors whether to tender shares and, if so, how many shares to tender and the price(s) at which such shareholder will tender them. In doing so, shareholders should read carefully the information in the Offer to Purchase and the related Letter of Transmittal. All of the Company's directors and executive officers have advised the Company that they do not intend to tender any of their Shares in the Offer.

Shareholders should read carefully the information set forth or incorporated by reference in the Offer to Purchase and in the related Letter of Transmittal, including the Company's reasons for making the Offer.

If more than 300,000 Shares (or such greater number of Shares as the Company may elect to purchase, subject to applicable law) are properly tendered at or below the Purchase Price and not properly withdrawn, we will purchase Shares in the following order of priority:

- *First*, we will purchase all "odd lots" of less than 100 Shares at the Purchase Price from shareholders who properly tender all of their Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date; and
- *Second*, after purchasing all the "odd lots" that were properly tendered at or below the Purchase Price, we will purchase Shares at the Purchase Price from all other holders who properly tender Shares at or below the Purchase Price and who do not properly withdraw them before the Expiration Date, on a pro rata basis, with appropriate adjustments to avoid purchases of fractional Shares, until we have acquired the number of Shares that we have offered to purchase.

Therefore, we may not purchase all of the Shares that you tender even if you tender them at or below the Purchase Price.

In accordance with the instructions to the Letter of Transmittal, each shareholder desiring to tender Shares in the Offer must, on the Letter of Transmittal, check either (i) the box under "1. Shares Tendered at a Price Determined Pursuant to the Offer", in which case such shareholder will be deemed to have tendered his or her Shares at the minimum price of \$385 per Share or (ii) one of the boxes under "2. Shares Tendered at a Price Determined by the Shareholder", indicating the price at which Shares are being tendered. A tender of Shares will be proper if, and only if, one of these boxes is checked on the Letter of Transmittal. Any shareholder who wants to tender portions of his or her Shares at more than one price must complete a separate Letter of Transmittal for each price at which such shareholder tenders Shares.

Each shareholder desiring to tender Shares must follow the instructions and procedures described in Section 2 of the Offer to Purchase and in the Letter of Transmittal. Participants in 401(k) plans of the Company's subsidiaries should also follow the instructions and procedures described in Section 2 of the Offer to Purchase to tender Shares.

Except as otherwise provided in Section 3 of the Offer to Purchase, a tender of Shares pursuant to the Offer is irrevocable. Shares tendered pursuant to the Offer may be withdrawn at any time before the Expiration Date and, unless theretofore accepted for payment by the Company pursuant to the Offer, after

For a withdrawal to be effective, a written notice of withdrawal must be timely received by Computershare Trust Company, N.A. (the "Depository") (at one of its addresses set forth on the back cover of the Offer to Purchase). Any such notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and, if different from that of the person who tendered such Shares, the name of the registered holder of such Shares. A shareholder who has tendered Shares at more than one price must complete a separate notice of withdrawal for Shares tendered at each price. If the certificates evidencing the Shares to be withdrawn have been delivered or otherwise identified to the Depository, then, prior to the physical release of such certificates, the tendering shareholder must also submit the serial numbers shown on such certificates must be submitted to the Depository and the signature(s) on the notice of withdrawal must be guaranteed by an Eligible Institution (as defined in Section 2 of the Offer to Purchase), unless such Shares have been tendered for the account of an Eligible Institution. If Shares have been tendered pursuant to the procedure for book-entry transfer as set forth in Section 2 of the Offer to Purchase, any notice of withdrawal must specify the name and number of the account at The Depository Trust Company ("DTC") to be credited with the withdrawn Shares or must otherwise comply with the DTC's procedures. A withdrawal of a tender of Shares may not be rescinded and Shares properly withdrawn shall thereafter be deemed to be not validly tendered for purposes of the Offer. Withdrawn Shares, however, may be retendered by again following any of the procedures described in Section 2 of the Offer to Purchase at any time prior to the Expiration Date.

For purposes of the Offer, the Company shall be deemed to have accepted for payment (and thereby purchased), subject to proration, Shares which are validly tendered and not properly withdrawn as, if and when the Company gives oral or written notice to the Depository of the Company's acceptance for payment of such Shares pursuant to the Offer. Upon the terms and subject to the conditions of the offer, payment for Shares accepted for payment pursuant to the Offer will be made by deposit of the Purchase Price therefor with the Depository, which will act as agent for tendering shareholders for the purpose of receiving payments from the Company and transmitting such payments to tendering shareholders whose Shares have been accepted for payment. In all cases, payment for Shares tendered and accepted for payment pursuant to the Offer will be made promptly, subject to possible delay in the event of proration, but only after timely receipt by the Depository of (i) the certificates representing the Shares or timely confirmation of a book-entry transmission of such Shares into the Depository's account at DTC, (ii) the Letter of Transmittal, properly completed and duly executed, with any required signature guarantees or, in the case of a book-entry transmission, an Agent's Message (as defined in Section 2 of the Offer to Purchase) in lieu of the Letter of Transmittal and (iii) any other documents required by the Letter of Transmittal. **Under no circumstances will interest be paid on the Purchase Price for any reason, including by reason of any delay in making such payment.**

The Company expressly reserves the right, in its sole discretion, at any time and from time to time to extend the period of time during which the Offer is open and thereby delay acceptance for payment of any Shares by giving oral or written notice of such extension to the Depository and making a public announcement thereof. During any such extension, all Shares previously tendered and not purchased or withdrawn will remain subject to the Offer, except to the extent that such Shares may be withdrawn as set forth in Section 3 of the Offer to Purchase.

Subject to compliance with applicable law, the Company further reserves the right, in its sole discretion, and regardless of whether or not any of the events set forth in Section 8 of the Offer to Purchase shall have occurred or shall be deemed by the Company to have occurred, to amend the Offer in any respect (including, without limitation, by decreasing or increasing the consideration offered in the Offer or by increasing or decreasing the number of Shares being sought in the Offer). Amendments to the Offer may be made at any time, effected by public announcement thereof. Such announcement, in the case of an extension, is to be issued no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date.

The receipt of cash pursuant to the Offer generally will be treated for United States Federal income tax purposes either (a) as a sale or exchange eligible for capital gain or loss treatment or (b) as a dividend. Non-U.S. shareholders generally will not be subject to U.S. Federal income taxation on the receipt of cash pursuant to the Offer. Shareholders are strongly encouraged to read the Offer to Purchase, in particular, Sections 2 and 6 for additional information regarding the United States Federal income tax consequences of participating in the Offer and should consult their tax advisor.

The Company will decide, in its sole discretion, all questions as to the form and validity (including time of receipt) of any notice of withdrawal and each such decision will be final and binding on all parties. None of the Company, the Depository, the Information Agent, the Lead Dealer Manager, the Co-Dealer Managers or any other person will be under duty to give notification of any defects or irregularities in any notice of withdrawal or incur any liability for failure to give any such notification.

The Offer to Purchase and the Letter of Transmittal contain important information that should be read before any decision is made with respect to the Offer. These documents are being mailed to record holders of Shares and will be furnished to brokers, dealers, commercial banks, trust companies and similar persons whose names, or the names of whose nominees, appear on the Company's shareholder list or, if applicable, who are listed as participants in a clearing agency's security position listing for subsequent transmittal to beneficial owners of Shares.

The information required to be disclosed by Rule 13e-4(d)(1) of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, is contained in the Offer to Purchase and is incorporated herein by reference.

Any questions or requests for assistance may be directed to the Information Agent or the Lead Dealer Manager at their respective addresses and telephone numbers set forth below. Requests for copies of the Offer to Purchase, Letter of Transmittal, Notice of Guaranteed Delivery or other tender offer materials may be directed to the Information Agent and such copies will be furnished promptly at the Company's expense. Shareholders may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Offer.

Dear Fellow Shareholder:

White Mountains Insurance Group, Ltd. (the "Company") is offering to purchase up to 300,000 of its common shares at a purchase price not greater than \$435 or less than \$385 per share, net to the seller in cash, less any applicable withholding taxes and without interest. The Company's common shares closed on the New York Stock Exchange at \$403.00 per share on August 16, 2011, the last trading day before we announced the offer.

The tender offer will be conducted as a "modified Dutch auction", pursuant to which we will select the single lowest per share price (in multiples of \$1.00) that will allow us to purchase 300,000 shares (or, if a lesser number is properly tendered, all shares that are properly tendered and not properly withdrawn). All shares acquired in the offer will be acquired at the same price regardless of whether the shareholder tendered at a lower price. However, because of the proration and "odd lot" priority provisions described in the enclosed Offer to Purchase, all of the shares tendered at or below the purchase price may not be purchased if more than the number of shares we seek are properly tendered. All shares tendered by you that we do not purchase will be returned to you at our expense promptly after the expiration of the offer.

The offer is being made to utilize a portion of the Company's undeployed capital and to provide shareholders with added liquidity. The offer represents the opportunity for us to return capital to shareholders who elect to tender their shares. The offer will also afford to shareholders the opportunity to dispose of shares without the usual transaction costs associated with any market sale. Shareholders whose shares are not purchased in the offer will obtain an increase in their ownership interest in the Company and thus in the Company's future earnings and assets because shares purchased pursuant to the offer will be cancelled.

The offer is explained in detail in the enclosed Offer to Purchase and Letter of Transmittal. If you want to tender your shares, the instructions for tendering shares are also explained in detail in the enclosed materials. This letter is only a summary, and I encourage you to read these materials carefully before making any decision with respect to the offer. The instructions on how to tender shares are explained in detail in the accompanying materials.

OUR BOARD OF DIRECTORS HAS APPROVED THE OFFER. HOWEVER, NONE OF THE COMPANY, OUR BOARD OF DIRECTORS, THE LEAD DEALER MANAGER, THE CO-DEALER MANAGERS, THE DEPOSITARY OR THE INFORMATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER ANY SHAREHOLDER SHOULD TENDER SHARES PURSUANT TO THE OFFER, OR AS TO THE PRICE(S) AT WHICH A SHAREHOLDER MAY CHOOSE TO TENDER. YOU MUST MAKE YOUR OWN DECISION AFTER CONSULTING WITH YOUR ADVISORS WHETHER TO TENDER SHARES AND, IF SO, HOW MANY SHARES TO TENDER AND THE PRICE(S) AT WHICH YOU WILL TENDER THEM. IN DOING SO, YOU SHOULD READ CAREFULLY THE INFORMATION IN THE OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL, INCLUDING THE PURPOSES AND EFFECTS OF THE OFFER.

The offer will expire at 12:00 midnight, New York City time, on September 15, 2011, unless the Company extends the offer. Questions and requests for assistance may be directed to D.F. King & Co., Inc., the information agent for the offer, at the telephone numbers and addresses set forth on the back cover of the Offer to Purchase. You may request additional copies of the Offer to Purchase and other offer documents from the information agent at the telephone number and address on the back cover of the Offer to Purchase.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "JP Pitts", is written in a cursive style.

Jennifer Pitts
Corporate Secretary
